ANNEXURE

In the matter of an industrial dispute between Messrs. (1) Ellora Cinema, 15 Souren Roy Road, Behala, Calcutta-34 and others, on the one hand and their workmen represented Bengal Motion Picture Employees' Union, 13/1 Creek Lane, Calcutta-14 on the other. (Case No 200/74).

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri L. K. PAL, Judge,
Fourth Industrial Tribunal.

AWARD

The Government of West Bengal, Labour Department, by its order No. 6633-I.R./IR/11L-302/74, dated 5th October 1974, referred an industrial dispute between Messrs. Ellora Cinema, 15 Souren Roy Road, Behala, Calcutta-34, (2) Messrs. Nabajug Chitra Pratisthan, 10 Old Post Office Street, Calcutta-1, (3) Messrs. Biren Roy Trust, 15 Souren Roy Road, Behala, Calcutta-34, (4) Messrs. Hind Exhibitor, C/o. Ellora Cinema, 15 Souren Roy Road, Calcutta-34; on the one hand and their workmen represented by Bengal Motion Picture Employees' Union, 13/1 Creek Lane, Calcutta-14 on the other, to this Tribunal under section 10, of the Industrial Disputes Act, 1947, for adjudication on the following issue:-

Issue

Whether the workmen are entitled to wages for the period of lock-out from 28th September 1972 to 21st December 1972? If so, at what rates?

On receipt of the reference notices were issued upon the parties fixing 4th November 1974 for appearance. The written statement by the Union

was filed on 4th March 1975. Four separate concerns are arrayed as employees. Among them, only Messrs. Hind Exhibitor and Messrs Nabajug Chitra Pratisthan filed their written statements on 16th June 1975 and 23rd September 1975, respectively. The other two concerns by the petition dated 16th June 1975, prayed for expunging their names from the reference.

The case was first fixed for hearing on 23rd July 1976. Thereafter the parties went on taking adjournments sometimes for the settlement and sometimes for various other grounds. By the order No. 78, dated 21st July 1980, the Tribunal directed that the case would be heard on preliminary points as well as on merit at the same time. Again the parties went on taking adjournments. The parties were given the last opportunity to file the compromise petition on 30th May 1981.

On 30th May 1981, the Union and Messrs Hind Exhibitor have filed a joint petition for passing a 'no dispute' award as the dispute has been amicably settled out of the Tribunal. The other concerns are absent

It appears from the above that the parties have already settled their disputes with the Management and as such they are no longer interested in the dispute. Therefore, it is a fit case where no-dispute award should be passed. Accordingly, I pass a no-dispute award This is my award

Dictated and corrected by me.

AWARD

By the Government of West Bengal, Labour Department, order No. 513-I.R./IR/13L-31/77, dated the 25th January 1978, an industrial dispute existing between Messrs. Printers' Emporium, 14/2 Old China Bazar Street, Calcutta-1, and their workman Shri Swapan Kumar Mullick, C/o. K. R. Divakaran, 28 Sahapore Main Road, Calcutta-38, was referred to this Court under section 10, read with section 2A of the Industrial Disputes Act, 1947 (XIV of 1947), for adjudication, in respect of the following issue:

Issue

Whether the Management were justified in terminating the services of Shri Swapan Kumar Mullick? To what relief, if any is he entitled to?

Following receipt of the reference from the Labour Department of the Government of West Bengal, notices were issued to both the parties for their appearance and filing of respective written statements. Both parties filed their respective written statements. Workman in his written statement alleged that he was wrongfully dismissed from his service. His case is that on 9th December 1975, the Company issued a charge-sheet against him specifying three charges. He was directed to submit an explanation in respect of the three charges brought against him. He submitted his explanations. His explanations were not found to satisfactory and by letter, dated 6th February 1976, informed the workman that explanations submitted by him were not found to be satisfactory and that the Company wanted to hold a domestic enquiry against him. Thereafter a domestic enquiry was held. The workman alleged that he was not given adequate opportunities to represent himself in the domestic enquiry. He also alleged that the principle of natural justice was denied to him in holding the enquiry. Subsequently, by letter dated 22nd June 1976, the petitioner-workman was informed that his service stood terminated with effect from 22nd June 1976. He was aggrieved with the termination of service from the Company and raised an

industrial dispute. He demanded re-instatemnt. The Company did not pay any heed to his demand. He sought intervention of the Labour Commissioner. That too having not been proved fruitful, the case came to the Court in the form of a reference.

The Company contested the case by filing the written statement and denied all the material allegations of the petitioner-workman. The Company challenged the jurisdiction of the Court to ascertain the dispute. The specific case of the Company is that there were three specific charges of misconduct against the delinquent workman and accordingly a charge-sheet was issued against him. The further case of the Company is that the explanations submitted by the petitioner-workman to the three charges of misconduct levelled against him was not found to be satisfactory and the Company wanted to hold a domestic enquiry to enquire into the charges. An enquiring officer was appointed to probe the charges of misconduct against the delinquent workman. The workman, according to the Company, was given adequate opportunities to defend himself in the enquiry proceedings, but he decided to remain absent, and, as such, the enquiry was held exparte. The enquiring officer found the delinquent workman guilty of all the charges of misconduct and submitted a report accordingly. The Company accepted the report and on its basis terminated the service of the workman concerned. The Company specifically denied that the service of the petitioner-workman was terminated illegally or in violation of the principles of natural justice or in pursuit of a police of vindictiveness and repression against the petitioner-workman.

On the representation of the Company for taking up the case for hearing for the consideration of the finding of the enquiry officer, a separate hearing was undertaken. Both the parties were given adequate opportunities to prove their respective contention regarding the domestic enquiry held against the delinquent workman. Subsequently, by order of the Court dated 22nd September 1980, it was held that the domestic enquiry conducted against the delinquent workman was done properly. Of the three charges levelled against the delinquent workman, charge No. 1 regarding alleged causing of threat to Mr. Jindal was not proved by cogent evidence, charge Nos 2 and 3 in the charge-sheet were however proved by adequate evidence. Thereafter, a separate hearing was undertaking to ascertain if the punishment meted out to the workman concerned was disproportionate to the charges of misconduct or not. Both the parties adduced some evidence at that stage. The only point that warrants our finding at this stage is whether the charges of misconduct proved against the delinquent workman demanded the termination of his service or not.

The three charges brought against the delinquent workman are as follows :

(i) Causing threat and insultation to the superior officer .

(ii) Refusal to carry out the order of the management.

(iii) Causing an act inconsistent with the fulfilment of express or implied condition of service or directly linked with the employer's employee relationship etc.

The background of the aforesaid charges was reported to be an incident having taken place on 8th December 1975 at 10-30 a.m. involving the petitioner workman when he was called by Mr. Jindal, the sole proprietor of the Company and requested to go to the post office to get a letter registered. The petitioner-workman is reported to have denied to carry out the order and shouted at the top of his voice by saying that he would act according to his own desire. He also reported to have threatened Mr Jindal with dire consequence. I have already held earlier that the charges regarding the alleged intimidation to Mr. Jindal was not proved by sufficient evidence. Charge Nos 2 and 3 are more or less identical. Thus, the allegations proved against the workman concerned is that he refused to carry out a lawful order of the proprietor of the Company. There is no doubt that the charges have been proved by cogent and satisfactory evidence.

It is now to be considered if the aforesaid charge proved against the delinquent workman is so grave and serious as to warrant his termination of service from the Company. On behalf of the Company it was contended that the workman having refused to carry out some lawful order of the proprietor, forfeited the confidence of the management of the Company. According to the Company the offence proved against the delinquent workman was very grave and under no circumstances the prayer for reinstatement should be allowed.

Learned representative for the workman argued that the petitioner-workman was not responsible for committing any misconduct prior to the occurance on which he has been punished. He also submitted that the petitioner-workman is an unemployed person and he should be given an opportunity to correct himself. He wanted an opportunity from the Court to enable the petitioner-workman to correct himself and serve the Company without any blemish henceforth.

There cannot be any two opinion that the petitioner-workman violated the lawful direction of the employer by refusing to have a letter registered in the Post Office. There is nothing on record to show that the petitioner was warned earlier for resorting to such refusal of works at the directions of his employer. Mr. Jindal in his cross-examination stated that he could not re-collect if he had any document in his possession to substantiate that warning had been given orally to the petitioner-workman prior to issuance of charge-sheet relating to the instant case. He, however, stated in his examination-in-chief that warning had been given to the petitioner-workman on earlier occasions. This assertion has not been supported by any cogent and satisfactory evidence. I do not find any tangible material to sustain the contentions of Mr. Jindal that the petitioner-workman was found arregant or unwilling to carry out his lawful directions earlier. There is also nothing on record to show that the

petitioner-workman is employed elsewhere. He is an unemployed person. The petitioner-workman appears to have erred in not responding to a lawful direction of the proprietor of the Company. He has suffered much for such laches on his part. In fact he is unemployed for the last five years. The punishment meted out to the petitioner-workman does not appear to be proportionate to the misconduct committed by him. The management should have been more lenient in dealing with him. He should also have been given an opportunity to correct himself. Be that as it may, it is my considered opinion that the punishment in the form of termination of service of the petitioner-workman was a bit harsh. The purpose of the administration of justice will be properly met with if the petitioner-workman is denied the benefits of back wages. He, however, should got back his employment. Accordingly, the Company is directed to reinstate the petitioner-workman immediately after it receives a copy of this award from the Labour Department of the Government of West Bengal or the award is published in the "Calcutta Gazette"—whichever is earlier. The workman will be entitled to get back wages from the date of communications of the award from the Labour Department, Government of West Bengal, or from the date of publication of the award in the "Calcutta Gazette" till he gets his actual reinstatement in the Company.

This is the award of the Court. The instant reference is thus disposed of.

After recording a (x) mark on the ballot paper against the name or each of the names of the candidate or candidates, as the case may be, for whom the elector desires to vote, the elector shall fold the ballot paper and come out of the screened compartment. He shall show the Presiding Officer his signature, affixed on the reverse of the ballot paper, before inserting the folded ballot paper into the ballot box.

33. **Persons not entitled to vote**—No person whose name is not included in the electoral roll or who is in prison or in the lawful custody of the police shall be entitled to vote:

(2) When the poll is so adjourned by a Presiding Officer, he shall forthwith inform the Returning Officer and the Chief Election Officer of such adjournment.

42. **Appointment of another date for poll**—Whenever a poll is adjourned under sub-rule (1) of rule 41, the Presiding Officer shall, as soon as may be, with the previous approval of the Returning Officer, appoint a day on which the poll shall recommence, and fix the polling station at which the poll shall be taken and the Returning Officer shall not count the votes cast at such election until such adjourned poll has been completed and the ballot boxes reach him.

44. **Spoilt and returned ballot papers**—(1) An elector who has inadvertently dealt with his ballot paper in such manner that it cannot be conveniently used as a ballot paper may, on returning it to the Presiding Officer and on satisfying him of the inadvertence, be given another ballot paper and the ballot paper so returned shall be marked "Spoilt; Cancelled" by the Presiding Officer.

(2) If an elector after obtaining a ballot paper decides not to use it, he shall return it to the Presiding Officer, and the ballot paper so returned shall be marked "Returned; Cancelled" by the Presiding Officer.

The ballot box shall also bear levels both inside and outside, marked with the names of the polling area and the polling station for and at which it is used and also the date of the poll.

46. **Sealing of ballot boxes after the poll**—The Presiding Officer shall as soon as practicable after the closing of the poll, close the slit of the ballot box and where the box does not contain any mechanical device for closing the slit, he shall seal up the slit and also allow, if so desired by any candidate or his polling agent present, to affix his seal.

47. **Account of ballot papers**—The Presiding Officer shall, at the close of the poll, prepare a ballot paper account in Form V and enclose it in a separate cover with the words "Ballot Paper Account" superscribed thereon.

(a) the marked copy of the electoral roll;

(b) the unused ballot papers;

(c) the cancelled ballot papers;

AWARD

By the Government of West Bengal, Labour Department, notification No. 4611-I.R./IR/11L-508/75, dated 4th November 1975, an industrial dispute between Messrs. Western Building Corporation, 46C Chowringhee Road, Calcutta-16, and their workmen represented by Commercial Employees' Union (Calcutta), 12A Netaji Subhas Road, Calcutta-1, was referred to this Court for adjudication under section 10 of the Industrial Disputes Act, 1947, on the following issue:

Issue

Is the dismissal of Shri Balaram Routh with effect from 2nd January 1975 justified? To what relief, if any, is he entitled?

After receipt of the reference, notices in D/2 form were issued upon the parties. The parties appeared and filed their respective written statements

The case of the workman is that he was appointed as a Pumpman-cum-Plumber by the Company with effect from 1st September 1972

on a monthly salary of Rs. 150—10—250 plus Dearness Allowance of Rs. 50 per month as per agreement, dated 23rd July 1973.

It is alleged by the workman that he worked up to 16th December 1974, when all on a sudden by letter, dated 17th December 1974. He was suspended by the Manager of the Company by making some allegations against him and asked him to show cause within 7 days. On 23rd December 1974 the workman showed cause denying all the allegations made against him in the Company's letter, dated 17th December 1974. By letter, dated 2nd January 1975, the employer dismissed the workman from his service with immediate effect and without payment of his dues. It is alleged by the workman that no domestic enquiry was held and the workman was not given any opportunity to falsify the allegations made by the Company. It is further alleged by the workman that he was not allowed to take back the tools mentioned in Annexure 'A' of the written statement. The workman through his lawyer sent a letter to the Company demanding back his tools and articles. According to the workman the dismissal is against the law of Industrial Disputes and at the same time the dismissal is malacious and arbitrary. Accordingly, the workman has prayed for reinstatement with back wages. The workman has also prayed for return of his tools.

The case of the Company is that Messrs. Western Building Corporation is a partnership firm having its Office at 46C Chowringhee Road, Calcutta-16, and the Corporation carries on business in construction of building and selling the same flatwise to willing purchasers. That the building at 46C Chowringhee Road, Calcutta 16, not fully completed but some of the flats were completed and those flats were sold to different owners and the owners who purchased the flats started occupying the same. The purchasers of the flats also entered into a written agreement with the Corporation. Under the said agreement the Corporation is bound to arrange maintenance of the occupied flats including supply of water thereto. For the purpose of maintenance the Corporation has to maintain a small staff of workers including pumpmen and plumbers. The workman, Shri Balaram Routh was appointed with effect from 1st March 1972 as a pumpman-cum-plumber. The service condition of the workman with the Corporation was that he should perform his duties carefully and regularly and look after the tools and machines of the Corporation entrusted to his care and it was further emphasised that if he did not perform his duties properly and carefully it would not be possible for the Corporation to retain him in service. The workman carried on with his duties smoothly for some time but thereafter he developed negligence in the discharge of his duties and undisciplined conduct. There were two pumps in the premises at 46C Chowringhee Road. The building at 46C Chowringhee Road is known as Everest House which is 21 storied buildings. The water pump No. 2 of the said building went out of order wiith effect from 12th December 1974 but the workman did not report the matter to the authorities. The Manager of the Corporation detected it himself on 16th December 1974. The pump No. 1 was damaged due to the workman's neglect. The workman was instructed to rectify the water tap in the office No. 12/G on 12th December 1974 but the workman did not carry out the order. On 16th December 1974, when the manager of the Corporation called him and told him about his acts of neglect of duties the workman behaved in an insubordinate manner towards the Manager and insulted him in abusive languages. It is alleged by the Corporation that the conduct of the workman seriously affected the reputation and business of the Corporation. The Corporation issued a charge-sheet to the workman on 17th December 1974 for his gross neglect of duties and misconduct and asked the workman to show cause within 7 days from the date of receipt of the charge sheet why he should not be dismissed from service for his conduct mentioned in the charge-sheet and suspended the workman from 17th December 1974. The workman gave reply to the charge-sheet on 23rd December 1974 and his reply was denial of all the charges against him. Though the Corporation fixed a date for holding enquiry and asked the workman to be present at the enquiry but ultimately no enquiry was held The ground of not holding enquiry is that it was not possible for the Corporation to wait for holding a further enquiry formally as the workman having already become a source of indiscipline which was likely to affect the business of the Corporation and the Corporation had no other alternative but to dismiss the workman from the service with immediate effect. It is further stated by the Corporation that the dismissal of the workman fully justified in the facts and circumstances of the case. The workman is not entitled to the relief claimed.

The ground for dismissal of the workman was gross neglect of duties and insubordination. Exhibit 1 is the charge-sheet, dated 17th December 1974. Exhibit 2 is the reply of the charge-sheet and Ext. 3 is the termination letter, dated 2nd January 1975.

It has contended on behalf of the workman that the Corporation terminated the service of the workman without suspending him. P.W. 1 is the workman himself. He has stated in his evidence that on 16th December 1974 he was suspended and on 17th December 1974 he received the charge-sheet from the Company. The termination letter (Ext. 3) shows that he was terminated from the service on and from 2nd January 1975. It appears from his cross-examination that on 16th December 1974 Mr. Roy who was the Manager of the Corporation called him in his office and took him to task and asked him to go away after making over the key to him O.P.W. 1 who is the Manager of the Corpoartion has stated in his cross-examination that on 16th December 1974 he called P.W. 1 to his office and asked him to explain about his conduct. It further appears from his evidence that he asked the workman to hand over the keys of the pump room and he intimated the workman that it would not be possible for him to keep him in the service. The learned Lawyer appearing on behalf of the workman has argued with

reference to this part of the evidence of O.P.W. 1 that it amounts to clear termination of service without any suspension.

It is not disputed that there are two pumps in the premises at 46C Chowringhee Road and it was the duty of the workman to maintain those two pumps and to attend repair work of the different taps and cistern of the said building as per direction of P.W. 1. It is also not disputed that the duty of the workman was to look after the proper maintenance as well as the repair of those two pumps. It is also not disputed that on 12th December 1974, pump No. 2 went out of order. On 12th December 1974 when pump No. 2 went out of order then pump No. 1 was then working and in course of time the pump No. 1 went out of order. P.W. 1 has admitted in his evidence that the two pumps in this building were running Each pump used to work for two hours alternatively. It is the case of the workman that on 12th December 1974 as soon as the pump No. 2 went out of order the matter was reported to Mr. Roy, O.P.W. 1. It is the case of the Corporation that P.W. 1 did not report on 12th December 1974 that the two pumps went out of order till 16th December 1974 when O.P.W. 1 himself detected that the two pumps went out of order. It is the case of the workman that on 12th December 1974 as soon as he reported to Mr. Roy that the pumps went out of order he asked him to go away and this according to the learned Lawyer appearing on behalf of the workman amounts to dismissal of service without any suspension order or without any charge-sheet. But P.W. 1 in his cross-examination has admitted that he was suspended on and from 17th December 1974. P.W. 1 has further admitted in his cross-examination that O.P.W. 1 called him in his office on 16th December 1974 and took him to task and asked him to go away after making over the keys to him. O.P.W. 1 has also admitted in his evidence that on 16th December 1974 he called him in his office and asked him to hand over the keys of the pump room. The question that remains to be considered whether the workman reported to O.P.W. 1 that the two pumps went out of order on 12th December 1974 or O.P.W. 1 himself defected took the same on 16th December 1974 and on being asked the workman told him that the pumps went out of order on 12th December 1974.

If the workman reported to O.P.W. 1 on 12th December 1974 that the pumps went out of order then certainly O.P.W. 1 would not have called the workman to his office on 16th December 1974. O.P.W. 1 would not called the workman in his office on the very selfsame day when the pumps went out of order if the same was reported to him The evidence clearly goes to show that the workman did not report to O.P.W. 1 on 12th December 1974 when the pumps went out of order. O.P.W. 2 also corroborates O.P.W. 1 that on 16th December 1974 O.P.W. 1 himself detected that the pumps went out of order. The reply of the charge-sheet will show that he reported to O.P.W. 2 about the breakdown of the pumps on 12th December 1974. But in his evidence he has stated that he reported the same to Mr. Roy. Both O.P.W. 1 and O.P.W. 2 have denied that Balaram Routh ever reported to them about the breakdown of pumps on 12th December 1974. Except the bare oral testimony of P.W. 1 there is nothing on the record to show that he actually reported to O.P.W. 1 about the breakdown of pumps on 12th December 1974. In this view of the matter and in view of my discussion made above I am of the view that the workman did not report about the breakdown of the pumps either O.P.W. 1 or O.P.W. 2 on 12th December 1974 and O.P.W. 1 who himself detected on 16th December 1974 that the pumps went out of order.

At premises No. 46C Chowringhee Road, Calcutta, there are good number of flats which are partly used for residential purposes and partly are used for office purpose. Therefore, the water supply was an essential service so far the occupiers of the building were concerned. The workman was responsible for operating the pumps. It is not disputed that water is stored in the overhead tank through the pumps and the same is thereafter distributed to different flats. The pumps went out of order as I have already held on 12th December 1974 and the same was detected on 16th December 1974. It is clear, therefore, that the building at premises No. 46C Chowringhee Road, Calcutta was without water from 12th December 1974 to 16th December 1974. If the worker was not negligent in his duty then he would have certainly reported the matter to the appropriate authorities on 12th December 1974. But he did not do so. This omission on the part of the workman is a very serious offence. This omission also affected good name of the Company in view of the fact that it was the duty of the Company to supply water to the different occupiers of the flats. The omission or commission involved in this case so far the workman is concerned is an act of gross misconduct or gross dereliction of duty. P.W. 1 was aware of the consequence of failure of water supply of the building. But he did not care to report about the breakdown of the pumps to O.P.W. 1 before the breakdown was detected by O.P.W. 1 on 16th December 1974.

The Corporation dismissed the workman from the service holding him guilty for misconduct and gross dereliction of duty. The evidence adduced by the parties taken as a whole clearly go to show that the workman, Shri Balaram Routh was guilty of misconduct and there was also gross dereliction of duty on his part. The Company, accordingly, terminated his service. It remains to be considered whether the punishment inflicted upon the workman is to harash as to suggest victimisation

The workman has never alleged anywhere that the Corporation dismissed him by way of victimising him for his Union activities. Nor did he make allegation that prior to the date of the incident relations between Manager and him had been strained. No evil motive has been exposed to the management for taking this drastic action against the workman.

It is the case of the Company that the manager acted in dismissing the workman concerned bona

fide out of a great need for improving administration of the Company. The learned Lawyer appearing on behalf of the workman has submitted that the offence was not such serious which warrants dismissal.

The offence which I have already observed is that Shri Balaram Routh who was a pumpman-cum Plumber of the Company did not bring it to the notice of the management that pump No 2 has gone out of order. Pump No. 2 was one of the two pumps operated alternatively to push water to the tanks located on the 21st storied of the building where there are many offices and residential flats Water is stored on the 21st storied building to supply water to the offices where many people work and to the flats where many people reside. The commission or omission on the part of Balaram Routh was such that imposed risk to the good or well being or safety of the public or to the plant and machinery of the Company or to the prestige or good name of the Company. Therefore, the omission or commission in question is an act of gross misconduct warranting dismissal of the workman and the Corporation in my view was justified in dismissing the service of the workman. As there was no domestic enquiry before the termination the workman is entitled to back wages from the date of the termination up to the date of the award.

The workman has also claimed for return of the tools which were his personal property and those property are kept back by the Company I am afraid that I could not decide this point at this stage because I have been called upon to decide the issue only under the referenc.

This is my award. The instant reference is thus disposed of.

STATEMENT OF OBJECTS AND REASONS

By the Industrial Disputes (West Bengal Amendment) Act, 1980, the definition of "workman" in clause (s) of section 2 of the Industrial Disputes Act, 1947 was amended to include within its purview supervisory staff drawing wages not exceeding one thousand rupees per month in consideration of the fact that the value of rupee had come down considerably over the years. Representations have since been received that having regard to the inflationary pressure and the dwindling value of rupee the aforesaid ceiling should be raised further especially as the term "wages" defined in clause (rr) of section 2 of the aforesaid Act includes all remuneration capable of being expressed in terms of money which are payable to a workman in respect of his employment or work and such wages of most of the supervisory staff engaged in the organised sector exceed one thousand rupees per month. There is substantial justification in the argument and it is considered necessary to allow the benefit of the provisions of the aforesaid Act to the supervisory staff drawing wages not exceeding sixteen hundred rupees per month.

2. The protection of the Industrial Disputes Act, 1947 is available to an individual workman in case of discharge, termination, retrenchment or dismissal from service in view of the provisions of section 2A of that Act. But very often it is noticed that a workman is neither discharged nor dismissed formally nor his service terminated nor is he retrenched but he is simply refused employment. Such cases of refusal of employment do not apparently come within the existing provisions of section 2A and in the absence of any trade union support individual workmen become helpless. Thus the very purpose for which the provisions of section 2A were enacted, namely, protection of unorganised individual workers is frustrated. It is necessary, therefore, to amend section 2A to bring within its purview cases of refusal of employment to individual workers.

3. It has been a long-standing demand of the working class in general that industrial dispute over discharge, dismissal, retrenchment or termination of service of individual workmen or any dispute in relation to individual grievance should be allowed to be taken direct to a Labour Court/Industrial Tribunal after time-bound conciliation proceeding, instead of the present time-consuming method of reference through Government Order, in the interest of expeditious dicision to alleviate the sufferings of the workman concerned. It is necessary to insert new provisions in the Act to provide for this reasonable demand.

4. In the aforesaid circumstances, it is felt necessary to amend the Industrial Disputes Act, 1947, in its application to West Bengal, suitably.

5. The object of the Bill is to amend the Industrial Disputes Act, 1947, in its application to West Bengal, with a view to—

(i) bringing within the ambit of the definition of "workman" the supervisory staff drawing wages not exceeding sixteen hundred rupees per month;

(ii) bringing cases of refusal of employment within the ambit of section 2A;

(iii) allowing reference of dispute involving individuals to specified Labour Court Tribunal by the party raising the dispute within a period of sixty days on completion of conciliation proceedings in a specified manner; and

(iv) amending section 38 of the Act to allow for framing of rules regarding manner of self-reference of individual cases to specified Labour Court/Tribunal.

LABOUR DEPARTMENT

ORDER

No. 2117-I.R./IR/11L-187/78—27th July 1981.—Whereas under the Government of West Bengal, Labour Department, order No. 5427-I.R./IR/11L-368/75, dated the 1st November 1977, the industrial dispute between Messrs. Titaghur Paper Mills Co. Ltd. (in respect of Mill Nos. 1 and 2 at Titagarh and Kankinara), Chartered Bank Building, Calcutta-1 and their workmen represented by Titaghur Paper Mills Staff (Tech. and Admn.) Association, 36 A. K. Debi Road, Naihati, 24-Parganas, regarding the issue mentioned in the said order being matters specified in the Second and the Third Schedules to the Industrial Disputes Act, 1947 (14 of 1947), was referred to the Fifth Industrial Tribunal for adjudication;

And whereas during the pendency of proceedings before the said Industrial Tribunal Shri Amal Kumar Sinha, a workman of the said Company, made a complaint in writing to the said Industrial Tribunal against the said Company alleging that the said Company had altered the conditions of service applicable to him ;

And whereas in exercise of the powers conferred by section 33A of the Industrial Disputes Act, 1947 (14 of 1947), the said Industrial Tribunal has adjudicated upon the said complaint and submitted its award to the State Government ;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Governor is pleased hereby to publish the said award as shown in the Annexure hereto.

ANNEXURE

In the matter of an application under section 33A of the Industrial Dispute Act filed by Shri Amal Kumar Sinha against his employer Messrs. Titaghur Paper Mills Co. Ltd., in connection with G. O. No. 5427-I.R./IR/11L-368/75, dated 1st November 1977. (Case No. 6 of 1980 under section 33A.)

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present :

Shri G. C. BISWAS, Judge,
Fifth Industrial Tribunal.

AWARD

The Government of West Bengal, Labour Department, by its order No. 5427-I.R./IR/11L-368/75, dated 1st November 1977, referred to this Tribunal an Industrial Dispute existing between Messrs. Titaghur Paper Mills Co. Ltd. and their workmen for adjudication on a Charter of Demands placed by the workmen and the said reference is pending before this Tribunal.

Shri Amal Kumar Sinha, one of the workmen involved in the said reference filed the instant application under section 33A of the Industrial Disputes Act before this Tribunal during the pendency of the main reference alleging that the management had illegally withheld his annual increment for the year 1979 and thereby altered his

service condition unlawfully to his prejudice. The Company duly entered appearance and submitted its written statement against the allegation made by the workman in his application under section 33A of the Act. During the pendency of the matter for hearing a registered envelop was received by me on 5th June 1981 containing an application purported to have been written by the concerned workman Shri Amal Kr. Sinha intimating the Tribunal that after a matured consideration he had decided not to proceed with his application under section 33A. He also enclosed with the said application another intimation in writing withdrawing/revoking authority given to his lawyers Shri P. Das Gupta and Shri N. C. Ganguly to represent his case before the Tribunal. Instantly I could not take any action on such application of the concerned workman and directed the workman to be present before me to admit or deny the letter written by him directly to this Tribunal. Accordingly on 29th June 1981 the workman concerned namely Shri Amal Kumar Sinha as identified before me by Shri K. Banerjee, Dy. Personnel Manager of Titaghur Paper Mills Co Ltd. duly appeared before me and admitted his signature on the application sent by him to this Tribunal by post and also admitted before me that he himself actually sent such letter to this Tribunal He also admitted before me that by a letter annexed with the said application he withdrew the authority given to his lawyers to conduct the case on his behalf. On 29th June 1981 the concerned workman also filed before me a separate application again reiterating his stand taken in his former application sent to this Tribunal by post. He frankly concedes that none of his service conditions has been altered by the Managemen and he has no grievance against the Management. He has expressed his desire to withdraw his complaint filed under section 32A of the Act before this Tribunal unconditionally. Since the concerned workman has withdrawn or revoked the authority given to his lawyers I find no necessity to hear such lawyers over this matter. I am fully satisfied that the concerned workman Shri Amal Kr. Sinha is unwilling to pursue his complaint under section 33A of the Act and accordingly I hold that there is no point in keeping the case alive against the will of the workman himself. According to the concerned workman there is no dispute between the Company and himself with regard to the alleged alteration of the condition of his service. So, I ultimately hold that the case shall stand dismissed.

The case namely the complaint under section 33A of the Industrial Disputes Act is accordingly dismissed as there being no dispute subsisting between the Company and the workman concerned.

This is my award.

Dictated and corrected by me.

Judge.

Part I—Orders and Notifications by the Governor of West Bengal, the High Court, Government Treasury, etc.

GOVERNOR'S SECRETARIAT, WEST BENGAL

NOTIFICATION

No. 2821-S.—31st July 1981.—The Governor is pleased to award the "Dr. Harendra Coomar Mookerjee Silver Medal" for the year 1980 to the undermentioned person for outstanding act of courage and self-sacrifice :

1. Shri Swadesh Ranjan Sarkar, Sub-Inspector of Police, Murshidabad District Police Force.

Statement of the act performed for which the decoration has been awarded

On August 20, 1980 at about 10.30 a.m. during the floods in the Dihigram area under Suti P.S. of Murshidabad district, Shri Kamal Prasad Sinha, Panchayat Clerk of Suti Block-II, S.I. Swadesh Ranjan Sarkar, the then O/C, Suti P.S. and others were proceeding by a country boat for flood relief work. Due to surging flood waters, the boat suddenly lost its balance and Shri Sinha accidentally fell down from the boat and was being swept away by strong current. He raised alarm for help but none dared to rescue him because of fury of swirling current. Finding no alternative, S.I. Swadesh Ranjan Sarkar in a desparate bid to save the life of Shri Sinha, immediately jumped into the strong current and after considerable struggle saved the life of the drowning man from certain death.

In saving a man from being drowned to death at great personal risk and danger, S.I. Swadesh Ranjan Sarkar showed exemplary courage and resolve, deep sense of duty and presence of mind which are indeed worth of high appreciation.

By order of the Governor,

Power to regulate manufacture and preparation of articles based on forest produce.

51A. (*1*) The State Government may make rules—

(*a*) to provide for the establishment, and regulation by licence, permit or otherwise (and the payment of fees therefor), of sawmills and other units including factories engaged in the manufacture or preparation of the following articles:—

(*i*) Katha (Catechin) or Cutch out of Khair wood;

(*ii*) plywood, veneer and wood-panel products;

(*iii*) preparation of match-boxes and match splints;

(*iv*) boxes including packing cases made out of wood;

(*v*) such other articles based on forest-produce as the State Government may, by notification in the *Official Gazette*, from time to time, specify;

(b) to provide for the regulation by licence, permit or otherwise of procurement of raw materials for the preparation of the articles mentioned in clause (*a*), the payment and deposit of fees therefor and for due compliance of the conditions thereof, the forfeiture of the fee so deposited or any part thereof for contravention of any such condition, and the adjudication of such forfeiture by such authority as the State Government may, by notification in the *Official Gazette*, specify.

(2) The State Government may prescribe, as penalties for the contravention of any rules made under this section, imprisonment for a term which may extend to six months, or fine which may extend to five hundred rupees, or both.".

STATEMENT OF OBJECTS AND REASONS

The term "forest-produce" as defined in clause (4) of section 2 of the Indian Forest Act, 1927 (16 of 1927), which is a Central Act and is in force in West Bengal, contemplates two categories of forest-produce, namely, (1) those items which are considered as forest-produce irrespective of whether they are found in, or brought from, a forest or not, and (2) those other items which are considered as forest-produce only when they are found in, or brought from, a forest.

2. Gum, sal seeds, sal leaves, kend leaves, wild animals, skins, tusks, horns and bones and all other parts or produce of wild animals come within the purview of the definition of "forest-produce" of the second category. These items are found inside and outside a forest. Taking advantage of this position, unscrupulous traders bring them from forests by illicit means for trade. It is, therefore, considered necessary to include such produce within the first category of forest-produce mentioned above.

3. Under the existing provisions of the Act, the State Government does not have any control or regulatory power with regard to the establishment and running of saw-mills and other wood-based industries. It is, therefore, considered necessary to evolve a procedure for curbing mushroom growth of such saw-mills and other wood-based industries and enforcing surveillance on the existing and new saw-mills and wood-based industries and to empower the State Government to prescribe penalties for contravention of such procedure.

4. It is accordingly proposed to amend the Act in its application to West Bengal to provide for the aforesaid matters.

5. The Bill has been framed with the above objects in view.

And whereas the said First Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Governor is pleased hereby to publish the said award as shown in the Annexure hereto.

ANNEXURE

In the matter of an industrial dispute between Messrs. Sulekha Works Ltd., 1 Sulekha Park, Jadavpur, Calcutta-700032 and their workmen represented by (i) Sulekha Karmi Sangha, Raja Subodh Mullick Road, Calcutta-700032 and (ii) Sulekha Employees' Union, Natagore, P.O. Sodepore, district 24-Parganas. (Case No. VIII-110 of 1977.)

BEFORE THE FIRST INDUSTRIAL TRIBUNAL, WEST BENGAL.

Present:

Shri B. P. BOSE, Judge,
First Industrial Tribunal.

By order No. 2166-I.R./IR/11L-154/77, dated Calcutta, the 4th June, 1977 Government of West Bengal, Labour Department, referred as industrial dispute between Messrs. Sulekha Works Ltd., Jadavpur, Calcutta and their workmen represented by (1) Sulekha Karmi Sangha, Raja Subodh Mullick Road, Calcutta-700032 and (2) Sulekha Employees' Union, Natagore, P. O. Sodepore, district 24-Parganas, to this Tribunal under section 10 of the Industrial Disputes Act, 1947, for adjudication of the issues contained in the Order of Reference.

Issues

(1) Variable Dearness Allowance.

(2) Tiffin Allowance.

(3) Revision of the existing incentive bonus scheme.

This is a reference under section 10 of the Industrial Disputes Act. After receipt of the reference notices were served upon the parties who in turn appeared and filed their respective written statements and documents. The preliminary objections of the Company were disposed of by order

No 23, dated 25th July 1978. The parties filed joint petition, dated 17th August 1979, stating that they have settled the issue Nos. 2 and 3 relating to Tiffin Allowance and revision of existing incentive bonus scheme amicably. Issue No. 1 relating to variable dearness allowance is thus only left for adjudication.

One written statement has been filed by both the Unions in which it was contended that the Company is a profitable concern. There is system of payment of variable allowance in the Company which is 25p. per point with 1960=100 as base. During the last 17 years there has been steep rise in the cost of living index figure resulting in added poverty to the workmen. The Union by its Charter of Demands, dated 1st December 1976 and 9th December 1976, claimed Rs. 120 at 175 point as fixed Dearness Allowance and Rs. 1.50p. per point for every point increase after 170 point. The total Dearness Allowance thus comes to Rs. 307.50p. (Rs.120+187.50p.). The veriable Dearness Allowance portion was claimed at Rs. 187.50p. in place of Rs. 31.25p. at 300 points.

The Company is its written statement stated that here is a system of payment of a variable Dearness Allowance to the workmen in view of the previous settlements. The question of change in the existing payment of the same does not arise. The Company is a small unit whose income has gradually declined. The Company is facing adverse financial crisis. There has not been any abnormal change in the market rate after expiry of the previous settlements. The Company has no fund to bear any additional financial burden. The claim of the Union is not legally or factually tenable and the workers are not entitled to any relief on this score.

Appearances of the parties are as follows:—

For the Company: Shri A. K. Sarkar, Advocate.

For the Unions: Shri Anil Das Chowdhury, Advocate assisted by Shri Mantu Mullick, General Secretary, Sulekha Karmi Sangha.

The learned counsel for the Company argued that in view of the agreement Ext. 15, dated 14th July 1972, there is a system of variable Dearness Allowance and no further revision of the existing variable Dearness Allowance is possible. But we find from Ext. 15 that the Unions could raise dispute regarding variable Dearness Allowance three years after the expiry of the terms of agreement (Ext. 15). There is scope for adjudication of issue relating to variable Dearness Allowance.

W. W. 1. R. N. Das stated in his evidence that he is working since 1963. There are about 500 workmen in the Company. He has stated that the workmen claimed Rs. 1.50p. for every point rise and fall in place of 25p. per point existing in the Company. The rate of variable Dearness allowance in Bengal Chemical is Rs. 1.30p. per point Variable Dearness Allowance in Engineering and Cotton Textile is the same. In Calcutta Chemical and Deys' Medical, it is Rs. 1.15p. per point rise and fall of cost of living index. He has proved the documents Ext. 1 series. In cross-examination he has stated that the workmen of Sulekha Works are getting 25p. per point. He could not tell about the financial position of the Companies mentioned above. He is not aware of the financial and market position of Sulekha Works.

C.W. 1, S. R. Sanyal has proved the Balance Sheets (Ext. D, series) and has stated that there was less production in 1979. There was gradual decrease in production and marketing position of the Company. There is no prospect of immediate improvement of financial position. As raw materials are not received regularly, full production is not possible. He could not tell about the capital, profit, number of workmen, reserve fund and full particulars of Messrs. Dabur, Messrs. Krishna Glass There has been substantial rise in the price of the products of Sulekha Company.

C.W 2, Kirit Roy is the Accountant of the company. He has stated that there was loss in the year 1977. Only in the year 1978, there was profit. Previously the loan capital was 74 lacs of rupees. The Company is unable to shoulder any additional burden. From 1977 to 1978, there was increase of production by three times. The sale proceeds have also increased by two times during these years. He has no idea about the variable Dearness Allowance in Messrs. Dabur. As the price of raw materials have increased, the sale price also has gone high. The cost of production has also increased considerably.

From Ext. D, series it appears that there was loss in the years 1977 and 1979 and profit in the year 1978. Exts. A, B, C, are scales of pay of different grades of workmen. C.W. 1 has stated that variable Dearness Allowance is at present Rs. 77.50 P. for all the workmen. The variable Dearness Allowance both up and down varies each year at the rate of .25 P. per point of C. L. I. (1960=100) as base. The variation of 25 P. has been introduced on the basis of agreement.

Ext. 1 is the settlement between Messrs Bengal Chemical and the Union wherein the variable Dearness Allowance has been mentioned at Rs. 1.30 P. per point. Ext. 1(a) is another agreement between Messrs. Deys' Medical and its Associated Units and their workmen. In this agreement the variable Dearness Allowance has been mentioned at Rs. 1.25 P. per point of rise and fall. From Ext. 1(b), an agreement between Messrs. Calcutta Chemical and their workmen, we find that the variable Dearness Allowance payable is at Rs. 1.15 P. per point of rise and fall of cost of living index. Exts. 1(c) and 1(d), are Memorandum of Settlements between Engineering Industries in West Bengal and Bengal Mill Owners' Associaton and their workmen. The variable Dearness Allowance was fixed at Rs. 1.30 P. per point of rise and fall of C. L. I.

In the Charter of Demands and written statement, the workmen of Messrs. Sulekha Works Ltd. have claimed variable Dearness Allowance at Rs. 187.50 P in place of Rs. 31.25 P. at 300 points

The learned Counsel for the workmen has argued that in view of the low wages of the workmen, the

financial capacity of the Company should not be a factor for consideration of change of rate of variable Dearness. There is evidence that there was increase in production during the years 1977 to 1979. The sale proceeds have also increased during the above period. The cost of living index have also increased steadily. The loss shown in the Balance Sheets for a year or two cannot stand in the way of enhancing the rate of variable Dearness Allowance. The workmen will face acute financial difficulties if the rate of variable Dearness Allowance is not changed. The Company had profits as well as loss during the years 1977-79. There wa however increase in production during the above period. The loss shown in the Balance Sheet for a year or two cannot stand in the way of changing rate of variable Dearness Allowace. It cannot be said that the Company has no capacity to pay variable Dearness Allowance at increased rate. Considering the rise in the cost of living, the low wages and difficultes of the workmen, financial position of the Company, I think the rate of variable Dearness Allowace should be increased. The rate of variable Dearness Allowance will be Rs. ·50 P. per point increase after 175 points (in place of ·25 P. per point), up to '00 points. The rate of such variable Dearness Allowance will be Re. 1 for every point of rise and fall after 300 points. The variable Dearness Allowance at the above rate will be payment from 4th June 1977, i.e., from the date of reference. The amount already received by the workmen will be adjusted accordingly. This is my award.

The above award will come into force within a month from the date of publication in the "Calcutta Gazette".

Taken at my dictation and corrected by me.

AWARD

By Government of West Bengal, Labour Department, notification No. 2028-I.R./IR/11L-33/78, dated 26th March 1980, an industrial dispute between Messrs. Dhandhania & Co, 12 India Exchange Place, Calcutta-1, and their workman, Shri Subimal Ranjan Bhattacharya, 74/1 Rishi Bankim Avenue, P.O. Bhadreswar, district Hooghly, was referred to this Court under section 10 read with section 2A of the Industrial Disputes Act, 1947, for adjudication on the following issue:

Issue

Whether the termination of service of Shri Subimal Ranjan Bhattacharya is justified? What relief, if any, is he entitled to?

After receipt of the reference, notices in D/2 Form were issued upon the parties fixing 13th May 1980. On 13th May 1980, the workman entered appearance but the Company did not

take any step. After taking several adjournments the workman filed written statement along with list of documents, on 12th August 1980. The Company appeared on 6th September 1980 through Lawyer. The Company after taking several adjournments filed written statement along with list of documents on 30th January 1981. The case was fixed for hearing on 13th April 1981. On that day on the prayer of the Company the case was adjourned and 26th May 1981 was fixed for hearing. On 26th May 1981 the workman was found present but the Company did not take any step and as such today was fixed for ex parte hearing. P.W. 1 is the workman himself. It appears from his evidence that the Company illegally dismissed him from the service on and from 7th July 1971 without holding any enquiry. It further appears from his evidence that the Company issued the charge-sheet against the workman and the workman replied to the charge-sheet. But no enquiry was held by the Company. It appears from the reply of the charge-sheet (Ext. 1), the workman denied all the charges levelled against him. I, therefore, hold that the Company illegally terminated the service of the workman and his termination against the principles of natural justice. It appears from the evidence of P.W 1 that at the time of dismissal he was drawing Rs 190 per month inclusive of all. The workman is therefore entitled to get this amount and other benefits which the Company paid to other employees in the category of the workman.

The Court hereby orders that the termination of the workman is illegal and unjustified The workman is entitled to get back wages at the rate of Rs 190 per month from the date of termination up to the date of reinstatement. The Company is hereby directed to reinstate the workman in service within one month from the date of the publication of the award. The Company is further directed to pay all the benefits which paid to the other employees in the category of the workman

This is my award The instant reference is thus disposed of.

Judge.

STATEMENT OF OBJECTS AND REASONS.

The State Government have enacted new legislations in respect of the State Universities under the Control of the Education Department in order to regulate the composition of various bodies of the Universities and re-allocate their powers and duties for effective functioning. While doing so, the different bodies of the University have been reconstituted in a more democratic way with increased representation from teachers and representation for the first time from the students, non-teaching staff and officers. Keeping in step with this policy the Agriculture Department now proposes to introduce the new legislation in respect of the Bidhan Chandra Krishi Viswa Vidyalaya under the Administrative Control of the Agriculture Department by amending the relevant provisions of the previous Acts.

As immediate action was called for, the Bidhan Chandra Krishi Viswa Vidyalaya (Amendment) Ordinance, 1981 was promulgated on 9th July, 1981 and published in the official gazette on 13th July, 1981. The proposed Bill seeks to replace the Ordinance.

GOVERNMENT OF WEST BENGAL

LEGISLATIVE DEPARTMENT

NOTIFICATION

No. 2036-L.—28th August, 1981.—The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information:—

Bill No. 40 of 1981

THE WEST BENGAL PREMISES TENANCY (AMENDMENT) BILL, 1981.

A

BILL

to amend the West Bengal Premises Tenancy Act, 1956.

WHEREAS it is expedient to amend the West Bengal Premises Tenancy Act, 1956, for the purpose and in the manner hereinafter appearing; West Ben. Act XII of 1956.

It is hereby enacted in the Thirty-second Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title and commencement.

1. (*1*) This Act may be called the West Bengal Premises Tenancy (Amendment) Act, 1981.

(*2*) It shall be deemed to have come into force on the 6th day of July, 1981.

Amendment of section 21 of West Ben. Act XII of 1956.

2. In section 21 of the West Bengal Premises Tenancy Act, 1956 (hereinafter referred to as the principal Act), in clause (*a*) of sub-section (*6*), for the words, brackets and figures "or within three years from the date of commencement of the West Bengal Premises Tenancy (Second Amendment) Act, 1978", the words, brackets and figures "or within three years from the date of commencement of the West Bengal Premises Tenancy (Amendment) Ordinance, 1981" shall be substituted. West Ben. Ord. IV of 1981.

The West Bengal Premises Tenancy (Amendment) Bill, 1981.

(*Section 3.*)

Repeal and savings.

3. (*1*) The West Bengal Premises Tenancy (Amendment) Ordinance, 1981 is hereby repealed. West Ben. Ord. IV of 1981.

(2) Anything done or any action taken under the principal Act as amended by the West Bengal Premises Tenancy (Amendment) Ordinance, 1981 shall be deemed to have been validly done or taken under the principal Act as amended by this Act.

STATEMENT OF OBJECTS AND REASONS.

Under sub-section (6) of section 21 of the West Bengal Premises Tenancy Act, 1956, rent deposit, if not withdrawn by landlords or by the persón or persons entitled to receive the same within three years from the date of posting of the notice of deposit under sub-section (4) or the date of commencement of the West Bengal Premises Tenancy (Second Amendment) Act, 1978, whichever is later, shall be credited to Government, as a lapsed deposit. It was reported to the Government that a large number of deposit cases were pending in the offices of Rent Controllers, the disposal of which as lapsed deposit would require a lot of manpower and time. In order to enable the Rent Controllers to dispose of these arrear cases as current deposits, it was felt that the time-limit was required to be extended by a term of another three years by an amendment of the aforesaid section of the Act. As the three-year time limit was due to expire and as the Legislative Assembly was not in session at that time, the Governor was pleased to promulgate the West Bengal Premises Tenancy (Amendment) Ordinance, 1981 to achieve the object mentioned above.

2. The Bill seeks to enact the provisions of the said Ordinance.

Calcutta,
The 27th August, 1981.

BILL No. 42 OF 1981.

THE CONTINGENCY FUND OF WEST BENGAL (AMENDMENT) BILL, 1981.

A BILL

to amend the Contingency Fund of West Bengal Act, 1950.

WHEREAS it is expedient to amend the Contingency Fund of West Bengal Act, 1950, for the purpose and in the manner hereinafter appearing; West Ben. Act XL of 1950.

It is hereby enacted in the Thirty-second Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title and commencement.

1. (1) This Act may be called the Contingency Fund of West Bengal (Amendment) Act, 1981.

(2) It shall be deemed to have come into force on the 3rd day of August, 1981.

Amendment of section 2 of West Ben. Act XL of 1950.

2. In section 2 of the Contingency Fund of West Bengal Act, 1950 (hereinafter referred to as the principal Act), for the words "a sum of five crores of rupees", the words "a sum of twenty crores of rupees" shall be substituted.

Repeal and savings.

3. (1) The Contingency Fund of West Bengal (Amendment) Ordinance, 1981, is hereby repealed. West Ben. Ord. X of 1981.

(2) Notwithstanding such repeal, anything done or any action taken under the principal Act as amended by the Contingency Fund of West Bengal (Amendment) Ordinance, 1981, shall be deemed to have been validly done or taken under the principal Act as amended by this Act.

STATEMENT OF OBJECTS AND REASONS

The object of this Bill is to continue the provisions of the Contingency Fund of West Bengal (Amendment) Ordinance, 1981, which was promulgated by the Governor under article 213(1) of the Constitution of India on the 3rd August, 1981, when the Legislature was not in session.

The above Ordinance authorised the enhancement of the corpus of the Contingency Fund of West Bengal from rupees five crores to rupees twenty crores.

The necessity for promulgation of the above Ordinance arose for enhancement of the corpus of the Contingency Fund of West Bengal with immediate effect with a view to coping with the larger demands for unforeseen expenditure classified as New Service/New Instrument of Service which have to be initially covered by advances from the Contingency Fund of West Bengal.

As similar contingencies for meeting expenditure classified as New Service/New Instrument of Service out of the Contingency Fund of West Bengal may crop up in future, it is necessary to retain the enhanced amount in the corpus of the Contingency Fund of the State as a permanent measure.

No additional expenditure is envisaged to give effect to the provisions of the Bill.

Bill No. 41 of 1981

THE WEST BENGAL TOWN AND COUNTRY (PLANNING AND DEVELOPMENT) (AMENDMENT) BILL, 1981.

A BILL

to amend the West Bengal Town and Country (Planning and Development) Act, 1979.

WHEREAS it is expedient to amend the West Bengal Town and Country (Planning and Development) Act, 1979, for the purpose and in the manner hereinafter appearing; West Ben. Act XIII of 1979.

It is hereby enacted in the Thirty-second Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title.

1. This Act may be called the West Bengal Town and Country (Planning and Development) (Amendment) Act, 1981.

Amendment of section 19 of West Ben. Act XIII of 1979.

2. In section 19 of the West Bengal Town and Country (Planning and Development) Act, 1979, in clause (*d*) of sub-section (*1*), after the existing proviso, the following further proviso shall be inserted:—

"Provided further that on the revocation of the order of supersession of the Corporation of Calcutta or a municipality, as the case may be, the members nominated by the State Government under the first proviso to this clause in place of the Councillors or the Commissioners, as the sase may be, shall, notwithstanding that the term of office of such members has not expired, cease to hold office as such members and the vacancies shall be fillled up by the State Government by making fresh nominations from amongst the elected Councillors or the Commissioners, as the case may be.".

STATEMENT OF OBJECTS AND REASONS

The term of office of the Councillors of the Corporation of Calcutta and the Commissioners of Municipalities within the Calcutta Metropolitan Area, nominated as the Members of the Calcutta Metropolitan Development Authority under section 19 of the West Bengal Town and Country (Planning and Development) Act, 1979, is three years. They, however, cease to be the Members of the Calcutta Metropolitan Development Authority as soon as they cease to be Councillors of the Corporation of Calcutta or Commissioners of Municipalities, notwithstanding the fact that the normal term of three years has not expired. But the Members nominated in place of the Councillors or the Commissioners will, under the present law, hold office for the said term of three years even if orders of supersession of the Corporation of Calcutta or the Municipalities have been revoked and the elected bodies have assumed office. It is, therefore, necessary to remove the inconsistency in the existing law.

The Bill seeks to achieve the above objective.

THE CALCUTTA *THIKA* TENANCY STAY OF PROCEEDINGS (TEMPORARY PROVISIONS) (AMENDMENT) BILL, 1981.

A

BILL

to amend the Calcutta Thika *Tenancy Stay of Proceedings (Temporary Provisions) Act, 1978.*

WHEREAS it is expedient to amend the Calcutta *Thika* Tenancy Stay of Proceedings (Temporary Provisions) Act, 1978, for the purpose and in the manner hereinafter appearing; West Ben. Act XXV of 1978.

It is hereby enacted in the Thirty-second Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title and commencement.

1. (*1*) This Act may be called the Calcutta *Thika* Tenancy Stay of Proceedings (Temporary Provisions) (Amendment) Act, 1981.

(*2*) It shall be deemed to have come into force on the 18th day of July, 1981.

Amendment of section 1 of West Ben. Act XXV of 1978.

2. In section 1 of the Calcutta *Thika* Tenancy Stay of Proceedings (Temporary Provisions) Act, 1978 (hereinafter referred to as the principal Act), in sub-section (*3*), for the words "three years", the words "three years and six months" shall be substituted.

The Calcutta Thika Tenancy Stay of Proceedings (Temporary Provisions) (Amendment) Bill, 1981.

(Clause 3.)

Repeal and savings.

3. (*1*) The Calcutta *Thika* Tenancy Stay of Proceedings (Temporary Provisions) (Amendment) Ordinance, 1981, is hereby repealed. West Ben. Ord. VII of 1981.

(2) Notwithstanding such repeal, anything done or any action taken under the principal Act as amended by the Calcutta *Thika* Tenancy Stay of Proceedings (Temporary Provisions) (Amendment) Ordinance, 1981, shall be deemed to have been validly done or taken under the principal Act as amended by this Act.

STATEMENT OF OBJECTS AND REASONS

The position of *thika* tenants and *bharatias* under them is vulnerable. It was, therefore, considered expedient to enact a comprehensive legislation for protecting their interest. Pending the enactment of such legislation the Calcutta *Thika* Tenancy Stay of Proceedings (Temporary Provisions) Act, 1978, was enacted to provide for the stay of all proceedings for ejectment (including execution of decrees) of all *thika* tenants and *bharatias* under them for a period of one year from the date of commencement of the said Act. The life of the Act was, thereafter, extended twice to continue the provisions of that Act.

The life of the principal Act as so extended was due to expire on the 18th July, 1981. It was, however, considered necessary to continue the provisions of the principal Act, pending enactment of the comprehensive legislation, for a further period of six months. As the Assembly was not in session the Calcutta *Thika* Tenancy Stay of Proceedings (Temporary Provisions) (Amendment) Ordinance, 1981 was promulgated to achieve the said objective.

The Bill seeks to enact the provisions of the said Ordinance.

Bill No. 45 of 1981

THE WEST BENGAL MOTOR VEHICLES TAX (AMENDMENT) BILL, 1981.

A

BILL

to amend the West Bengal Motor Vehicles Tax Act, 1979.

WHEREAS it is expedient to amend the West Bengal Motor Vehicles Tax Act, 1979, for the purpose and in the manner hereinafter appearing; West Ben. Act IX of 1979.

It is hereby enacted in the Thirty-second Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title. 1. This Act may be called the West Bengal Motor Vehicles Tax (Amendment) Act, 1981.

The West Bengal Motor Vehicles Tax (Amendment) Bill, 1981.

(Clause 2.)

Amendment of section 11A of West Ben. Act IX of 1979.

2. In section 11A of the West Bengal Motor Vehicles Tax Act, 1979, in clause (*b*), for the words "this Act", the words and figures "the Motor Vehicles Act, 1939" shall be substituted. 4 of 1939.

STATEMENT OF OBJECTS AND REASONS.

The West Bengal Motor Vehicles Tax Act, 1979 was amended in the year 1980 in order to insert section 11A with a view to empowering the State Government to partially exempt all public carrier goods vehicles authorised to ply in the State of West Bengal without countersignature under a National Permit granted under section 63(11) of the Motor Vehicles Act, 1939 or under a composite permit under rule 63A of the Bengal Motor Vehicles Rules, 1940, from penalty. But now it appears that sub-section (b) of section 11A which is quoted below, faills to specify the public carrier goods vehicles covered by the composite permits under section 63A of the Bengal Motor Vehicles Rules, 1940:

> "any public carrier who is permitted to operate, subject to any rules made or deemed to have been made under *this Act*, in the State of West Bengal by virtue of a public carrier's permit granted under section 56 of the Motor Vehicles Act, 1939".

Composite permit is granted under rule 63A of the Bengal Motor Vehicles Rules, 1940 to the public carrier vehicles which are covered by permit under section 56 of the Motor Vehicles Act, 1939. So mention of rule 63A of the Bengal Motor Vehicles Rules, 1940 is absolutely necessary in order to partially condone the penalties in respect of the vehicles held under composite permits. Bengal Motor Vehicles Rules have been framed under the Motor Vehicles Act, 1939. But the words "this Act" occurring in sub-section (b) of section 11A of the West Bengal Motor Vehicles Tax Act, 1979 denote the West Bengal Motor Vehicles Tax Act, 1979 and not the Motor Vehicles Act, 1939. Unless the words "this Act" of sub-section (b) of section 11A of the West Bengal Motor Vehicles Tax Act, 1979 are substituted by the words "the Motor Vehicles Act, 1939", it will not be possible to bring within the purview the vehicles covered by composite permits. The West Bengal Motor Vehicles Tax (Amendment) Bill, 1981 seeks to amend sub-section (b) of section 11A of the West Bengal Motor Vehicles Tax Act, 1979 accordingly. This Bill has no additional financial implication.

No. 2097-L. — 31st August, 1981. — The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information:—

Bill No. 46 of 1981

THE BENGAL EMBANKMENT (WEST BENGAL AMENDMENT) BILL, 1981.

A BILL

to amend the Bengal Embankment Act, 1882, in its application to West Bengal.

WHEREAS it is expedient to amend the Bengal Embankment Act, 1882, in its application to West Bengal, for the purpose and in the manner hereinafter appearing; Ben. Act II of 1882.

It is hereby enacted in the Thirty-second Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title.

1. This Act may be called the Bengal Embankment (West Bengal Amendment) Act, 1981.

Application of the Act.

2. The Bengal Embankment Act, 1882 (hereinafter referred to as the principal Act) shall, in its application to West Bengal, be amended in the manner hereinafter provided.

Insertion of new sections 32A and 32B in Ben. Act II of 1882.

3. After section 32 of the principal Act, the following sections shall be inserted:—

"Power to remove, dismantle or demolish embankment, fishery, etc.

32A. Notwithstanding anything contained elsewhere in this Act, the Engineer or any other person duly authorised by him in this behalf may remove, dismantle or demolish any embankment, fishery, hut, building, sluice, obstruction, encroachment or any other construction which in the opinion of the Engineer is likely to interfere with, counteract or impede any public embankment or any public water-course.

Protection of action taken under this Act.

32B. No suit, prosecution or other legal proceeding shall lie against the Engineer or any person duly authorised by him for anything which is in good faith done or intended to be done under this Act.".

STATEMENT OF OBJECTS AND REASONS.

The Bengal Embankment Act, 1882 requires modification as some provisions of the Act cannot be implemented for all practical purposes and have produced little results. In order to take effective action in removing unauthorised constructions and obstructions on public embankment and water course it is felt that powers conferred on Engineers for this purpose under provisions of the Bengal Embankment Act, 1882, are inadequate.

Amendment of the Bengal Embankment Act, 1882, is, therefore, necessary in order to increase the powers of the Engineers.

The Bill seeks to achieve the objects mentioned above.

The proposal has no financial implications.

THE WEST BENGAL CESS (AMENDMENT) BILL, 1981.

A

BILL

to amend the Cess Act, 1880.

WHEREAS it is expedient to amend the Cess Act, 1880, for the purpose and in the manner hereinafter appearing; Ben. Act IX of 1880.

It is hereby enacted in the Thirty-second Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title.

1. This Act may be called the West Bengal Cess (Amendment) Act, 1981.

Substitution of new section for section 80 of Ben. Act IX of 1880.

2. For section 80 of the Cess Act, 1880, the following section shall be substituted:—

"Notice of rate of cess and date of payments.

80. When the rate of road cess and public works cess to be levied in the district upon property assessable under this chapter shall have been determined for any year as in this Act provided, the Collector of the district shall cause to be served on the owner, chief agent, manager or occupier of every such property a notice showing the amount of road cess and public works cess respectively payable in respect of such property, and specifying the date from which such cesses shall take effect. Such amount shall be payable by such owner, chief agent, manager or occupier to such Collector in two equal instalments within a period of sixty days from the date of service of the notice as aforesaid.".

STATEMENT OF OBJECTS AND REASONS.

Under section 80 of the Cess Act, 1880 different kinds of cess are payable in two equal instalments, the first instalment being payable on expiry of six months and the second instalment on expiry of nine months from the date of assessment. Such a procedure takes a long time for payment of cess. In order to provide for immediate payment of cess, it has been considered necessary to lower down the time-limit so that the entire amount of cess becomes payable after assessment, within sixty days from the date of service of notice for its payment.

The Bill seeks to achieve the above objective.

Power to make rules.

32. (*1*) The State Government may, subject to the condition of previous publication, by notification make rules for carrying out the purposes of this Act.

(*2*) In particular and without prejudice to the generality of the foregoing power, such rules may provide for all or any of the matters which may be, or are required to be, prescribed.

Schemes and rules to be laid before the State Legislature.

33. Every scheme and every rule made under this Act shall be laid before the State Legislature while it is in session for a total period of thirty days which may be comprised in one session or in two successive sessions, and if, before the expiry of the session in which it is so laid or the session immediately following, the State Legislature makes any modification in the scheme or the rule or directs that the scheme or any provision thereof or the rule should not be made, the scheme or such provision thereof or the rule shall, from the date of publication of a notification in this behalf, have effect only in such modified form or be of no effect, as the case may be, so, however, that any such modification or annulment shall be without prejudice to the validity of anything previously done or omitted to be done under that scheme or the provision thereof or under that rule, as the case may be.

Employment in docks, jetties and wharves in connection with loading, unloading, stacking, carrying, weighing, measuring, baling, pressing, bagging, stitching, packaging, batching, and work preparatory or incidental to such operations and supervision thereof, except employment of a dock worker within the meaning of the Dock Workers (Regulation of Employment) Act, 1948. 9 of 1948.

11. Employment of manual labour in connection with any work, not specified in this Schedule, in any place where exclusively manual labour is used for the performance of such work and supervision thereof.

STATEMENT OF OBJECTS AND REASONS.

A large number of workers, such as mazdoors, tindals, loaders, godownmen, etc., are employed in godowns, stock-yards, tea warehouses, wholesale markets of vegetable, grocery, fruit and cloth as well as in iron and steel markets etc. These workers are not assured of regular employments. Nor are their terms and conditions of employment reasonable and fair. They are, in most cases, exploited by those who engage them. In view of the present nature of employment, they have not been able to organise themselves for the purpose of effectively bargaining with the employers for proper terms and conditions of employment as well as for regular employment. There have been, in the past, sporadic cases of industrial unrest amongst sections of such workers for better terms and conditions of employment including higher rates of wages and regular employment. There is absence of employer-employee relationship between these workers and the persons who engage them on casual basis. Government, therefore, have had to face difficulties in bringing about settlements by means of effective intervention on the occasions of such industrial unrest.

Under these circumstances, it is necessary to give legal protection to the unorganised, exploited and unprotected workers as aforesaid and, for that matter, to enact a law to provide for—

(i) regulating the employment of unprotected workers, such as mazdoors, tindals, loaders, godownmen, etc., engaged in certain employments;
(ii) better provision for their terms and conditions of employment;
(iii) their welfare, health and safety measures where the employments require such measures;
(iv) ensuring an adequate supply and full and proper utilisation of such workers in such employments with a view to preventing avoidable unemployment;
(v) the establishment of Boards for one or more employments of the nature mentioned above and for one or more areas; and
(vi) matters connected with or incidental to the purposes as aforesaid.

The Bill has been framed with the above objects in view.

NOTIFICATION

No. 2118-L.—2nd September, 1981.—The Govenor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information :—

Bill No. 49 of 1981

THE GREAT EASTERN HOTEL (ACQUISITION OF UNDERTAKING) (AMENDMENT) BILL, 1981

A

BILL

to amend the Great Eastern Hotel (Acquisition of Undertaking) Act, 1980.

WHEREAS it is expedient to amend the Great Eastern Hotel (Acquisition of Undertaking) Act, 1980, for the purpose and in the manner hereinafter appearing; West Ben. Act XXVII of 1980.

It is hereby enacted in the Thirty-second Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title and commencement.

1. (*1*) This Act may be called the Great Eastern Hotel (Acquisition of Undertaking) (Amendment) Act, 1981.

(*2*) It shall be deemed to have come into force on the 22nd day of July, 1981.

Amendment of section 6 of West Ben. Act XXVII of 1980.

2. In section 6 of the Great Eastern Hotel (Acquisition of Undertaking) Act, 1980 (hereinafter referred to as the principal Act),—

(*1*) after sub-section (*2*), the following sub-section shall be inserted:—

"(2A) The Hotel Authority shall have a Secretary who shall be appointed by the State Government from among the members of the Hotel Authority.";

(*2*) for sub-section (*4*), the following sub-sections shall be substituted:—

"(4) The Secretary shall exercise such powers and discharge such duties as may be delegated to him by the Chairman.

The Great Eastern Hotel (Acquisition of Undertaking) (Amendment) Bill, 1981.

(Clause 3.)

(*4A*) The Chairman, if and when he is required to act as a whole-time Chairman of the Hotel Authority, shall, in addition to the fees to which he is otherwise entitled under sub-section (*5*), draw such remuneration from the Fund of the Hotel Authority as may be prescribed :

Provided that if the Chairman is a whole-time Government employee, he shall not be entitled to the fees as aforesaid.

(*4B*) The Secretary, if and when he is required to act as a whole-time Secretary of the Hotel Authority, shall, in addition to the fees to which he is otherwise entitled under sub-section (*5*), draw such remuneration from the Fund of the Hotel Authority as may be prescribed :

Provided that if the Secretary is a whole-time Government employee, he shall not be entitled to the fees as aforesaid.".

Repeal and savings.

3. (*1*) The Great Eastern Hotel (Acquisition of Undertaking) (Amendment) Ordinance, 1981 is hereby repealed. West Ben. Ord. VIII of 1981.

(2) Notwithstanding such repeal, anything done or any action taken under the principal Act as amended by the Great Eastern Hotel (Acquisition of Undertaking) (Amendment) Ordinance, 1981, shall be deemed to have been validly done or taken under the principal Act as amended by this Act.

STATEMENT OF OBJECTS AND REASONS

Sub-section (1) of section 6 of the Great Eastern Hotel (Acqusition of Undertaking) Act, 1980, provides that the Great Eastern Hotel Authority shall consist of a Chairman, a Vice-Chairman, and five other members, to be appointed by the State Government. Sub-section (3) of section 6 of the said Act provides that the Chairman shall exercise such powers and discharge such duties as may be prescribed. Sub-section (4) of section 6 of the said Act provides that the Vice-Chairman shall exercise such powers and discharge such duties as may be delegated to him by the Chairman and shall, during the absence of the Chairman, exercise the powers and discharge the duties of the Chairman. It is, however, keenly felt that for efficient and smooth functioning of the Hotel Authority, there should be a Secretary of the Hotel Authority who shall be appointed from among the members of the Hotel Authority and who, instead of the Vice-Chairman, shall exercise such powers and discharge such duties as may be delegated to him by the Chairman.

2. It is also considered necessary that the Chairman or the Secretary (other than the Chairman or the Secretary who is a whole-time Government employee), if and when he is required to act as a whole-time Chairman or Secretary, as the case may be, should, in addition to the fees to which he is otherwise entitled under sub-section (5) of section 6 of the said Act, draw such remuneration from the Fund of the Hotel Authority as may be prescribed.

3. As the Legislative Assembly was not in session and as it was necessary to amend the relevant Act on the lines indicated above, the Great Eastern Hotel (Acquisition of Undertaking) (Amendment) Ordinance, 1981 was promulgated to achieve the purpose.

4. The Bill seeks to continue the provisions of the said Ordinance.

(2) Notwithstanding such repeal, anything done or any action taken under the principal Act as amended by the Darjeeling Hill Areas Development Council (Amendment) Ordinance, 1981 shall be deemed to have been validly done or taken under the principal Act as amended by this Act.

STATEMENT OF OBJECTS AND REASONS.

The Darjeeling Hill Areas Development Council, constituted to ensure co-ordinated and accelerated development of the hill areas of the Darjeeling district, consists of officials and 18 non-official members.

The Minister-in-charge of Department of Forests and Department of Tourism is the Vice-Chairman of the Darjeeling Hill Areas Development Council. As the Minister of State for Hill Affairs Branch of Department of Development and Planning is looking after the development of the hill areas of the Darjeeling district, it is necessary to nominate the Minister of State for Hill Affairs Branch of Department of Development and Planning as another Vice-Chairman of the said Council.

This cannot be done without a corresponding enabling provision in the Darjeeling Hill Areas Development Council Act, 1976.

Accordingly, section 4 of the said Act was amended with consequential amendments in sections 2, 5 and 7 by means of the Darjeeling Hill Areas Development Council (Amendment) Ordinance, 1981, which had to be promulgated as the Legislative Assembly of the State of West Bengal was not in session.

The Bill seeks to continue the provisions of the said Ordinance.

NOTIFICATION

No. 2121-L.—2nd September, 1981.—The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assmebly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information:—

Bill No. 52 of 1981

THE CALCUTTA HACKNEY-CARRIAGE (AMENDMENT) BILL, 1981.

A

BILL

to amend the Calcutta Hackney-carriage Act, 1919.

WHEREAS it is expedient to amend the Calcutta Hackney-carriage Act, 1919, for the purpose and in the manner hereinafter appearing; Ben. Act I of 1919.

It is hereby enacted in the Thirty-second Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title.

1. This Act may be called the Calcutta Hackney-carriage (Amendment) Act, 1981.

Amendment of section 70A of Ben. Act I of 1919.

2. Section 70A of the Calcutta Hackney-carriage Act, 1919 shall be renumbered as sub-section (*1*) of that section and—

(*1*) in sub-section (*1*) as so renumbered, for the words "and the Magistrate may, in addition to the imposition of fine, order confiscation of the rickshaw", the words "and the Magistrate shall, in addition to the imposition of fine, order confiscation of the rickshaw" shall be substituted;

(*2*) after sub-section (*1*) as so renumbered, the following sub-section shall be inserted:—

"(*2*) Rickshaws confiscated under sub-section (*1*) shall be destroyed in such manner as the State Government may by general order direct.".

STATEMENT OF OBJECTS AND REASONS

In order to restrict movements of unauthorised rickshaws in the city of Calcutta, the Calcutta Hackney-carriage Act, 1919 was amended by the Calcutta Hackney-carriage (Amendment) Act, 1980 to make special provision for unlicensed rickshaws by insertion of a new section 70A.

It, however, appears that the entire objective of the recent amendment of the Act which aimed at total elimination of the unlicensed rickshaws has completely failed as no trying Magistrate has passed any order for confiscation of the unregistered rickshaws but has invariably ordered for release of the rickshaws from the Police Stations after payment of the fine.

It is, therefore, felt that in order to eliminate unregistered rickshaws totally the following amendments of section 70A of the Calcutta Hackney-carriage Act, 1919 should be made so that—

(1) The Magistrate 'shall' (in place of 'may' as at present) order confiscation of the rickshaws in addition to the imposition of fine.

(2) The rickshaws so confiscated shall be destroyed in such manner as the State Government may by general order direct.

The Calcutta Hackney-carriage (Amendment) Bill, 1981 seeks amendments of the Calcutta Hackney-carriage Act, 1919 for the purposes stated above.

In the matter of an industrial dispute between Messrs. Techno, 188/5 N. S. Chandra Bose Road, Calcutta-49 and their workman, Smt. Sephali Dutta Banik, 4/70A Vidyasagar Colony, P. O. Naktala, Calcutta-47. (Case No. VIII-21 of 1978.)

BEFORE THE FIRST INDUSTRIAL TRIBUNAL, WEST BENGAL.

Present:

Shri B. P. BOSE, Judge,
First Industrial Tribunal.

Appearances of the Parties:

For the Company: Shri S. K. Majumder, Advocate.

For the Workman: Shri D. L. Sengupta, Advocate, with Shri Kali Ghosh, Advocate.

By order No. 349-I.R./IR/10L-125/77, dated the 12th January, 1978, Government of West Bengal, Labour Department, referred an industrial dispute between Messrs. Techno, 188/5 N. S. Bose, Road, Calcutta-49 and their workman, Smt. Sephali Dutta Banik, 4/70A Vidyasagar Colony, P. O. Naktala, Calcutta-47, to this Tribunal under section 10 read with section 2A of the Industrial Disputes Act, 1947, for adjudication of the issue contained in the order of reference.

Issue

Whether termination of service of Smt. Sephali Dutta Banik is justified? What relief, if any, is she entitled to?

On receipt of the Order of Reference notices were issued upon the parties who in turn appeared and filed their respective written statements. The parties thereafter filed their list of documents and hearing was fixed. Both the Company and the workman concerned adduced oral and documentary evidence in support of respective cases.

The workman Smt. Sephali Dutta Banik in her written statement stated that she joined the service in 1965 and worked continuously for 12

years. Suddenly her service was terminated with effect from 15th January 1977 without any charge-sheet or without assigning any reason whatsoever Such termination of service was illegal and unjustified. She has not been paid retrenchment compensation or notice pay. She approached the Proprietor of the Company several times. She was given false hope of reinstatement and amicable settlement but ultimately nothing was done. She sent a registered letter on 7th June 1977 but received no reply. She moved the Labour Commissioner. As conciliation failed, the matter has been referred to this Tribunal for adjudication. She prayed for reinstatement with full back wages.

The Company in its written statement stated that the workman concerned joined the Company in April 1969. with a pay of Rs. 2·50 per day as helper to the Mistry. There was an incident of theft on 15th January 1977 and the workman approached the Proprietor and requested him to take steps against Sephali Dutta Banik. She however voluntarily left the service taking her dues. There was no termination of service of the workman. The question of issue of charge sheet or holding enquiry against her did not arise. As she voluntarily left the service she is not entitled to any relief. The Company in course of hearing filed additional written statement on 4th December 1980 stating that the factory has been closed down permanently with effect from 25th August 1980. The workman concerned in her written objection stated that she is not concerned with the subsequent closure of the factory as her service has been terminated on 15th January 1977.

W. W. 1 Sephali Dutta Banik has stated that she was appointed in the Company in 1965 and her service was terminated on 15th January 1977. She did not tender any letter of resignation. She did not commit any wrong or misconduct at the time of work No charge-sheet was served upon her and no reason was assigned before termination of her service. There was no domestic enquiry. There was sufficient work in the factory at the time of termination of her sufficient work in the factory at the time of termination of her service She was not given notice pay of one month's salary and retrenchment compensation. She approached the Proprietor several times. She proved documents Exts. 1 to 5. She did not commit any theft in the factory. Nirmal Mistry gave some illegal proposal to her. As she protested she was threatened with dismissal from service. She prayed for reinstatement and back wages She admitted receipt of Ext. A, dated 15th January 1977, but she stated that it was in connection with her work in December, 1976. There was no incident of theft but she was falsely blamed at the instance of Nirmal Mistry and others The Proprietor did not misbehave with her.

C. W. 1 M. Chakraborty, one of the partners of the Company, stated that the workman voluntarily left the service, after the incident of theft of a sweater on 15th January 1977. The Company has been closed down from 25th August 1980 on account of financial difficulty. The workman did not give anything in writing stating that she had voluntarily left the service. The Company did not issue any letter to the workman as to why she was not attending to her duties. No charge-sheet was issued on the basis of workers' representation, Ext. B. No notice of enquiry was also given. There was no domestic enquiry. C W 1, further states that by full and final settlement mentioned in Ext A he meant that the workman left her service voluntarily. He admitted receipt of the letter from the workmen but did not reply to it. There is no paper to show that she was in the habit of stealing properties of the Company There is nothing to show that she admitted guilt is connection with the incident of theft.

It is the case of the workman that her service was illegally terminated on 15th January 1977 without any charge-sheet, domestic enquiry, payment of compensation and without assigning any reason The case of the Company on the other hand is that she has voluntarily left the service after receiving her dues. Ext. B indicates that some persons alleged to be workmen of the Company complained before the Proprietor making allegation of theft against the workman concerned in the instant reference. None of the signatories to the complaint has been examined to state about the alleged incident of theft. No charge-sheet was served upon the workman on the above ground. There is nothing to show that the workman was present at the time of any enquiry. No reliance could therefore be placed on Ext. B on the uncorroborative testimony of C. W. 1 M. Chakroborty. Ext. A indicates that she was paid only Rs. 38.00 for wages for the month of January 1977. There was no payment of notice pay of one month or retrenchment compensation Ext. C is the notice of closure, dated 24th August 1980, i.e. long after the date of reference. No supporting documents has been submitted to show that the closure has been effected permanently. The issue of closure however cannot be considered as the same is outside the scope of the issue referred. Ext. D is an intimation of the Proprietor to the Labour Commissioner.

Exts. 1, 2 and 3 indicate that the workman intimated the Proprietor that her service was terminated illegally on 15th January 1977. She had told the Proprietor that she should be paid her wages for the period she was kept out of employment. W. W. 1, has also stated that she personally approached the Proprietor several times and requested for reinstatement. She was asked to come after 15 days or a month but was not reinstated in ultimately. Had Sephali Dutta Banik voluntarily left the service taking all her dues then she would not have addressed Ext. 1 to the Proprietor, dated 7th June 1977. She also intimated the Labour Minister by letter, dated 4th July 1977 Ext. 4. She also moved the Assistant Labour Commissioner by Ext. 5 dated 27th September 1977. C. W. 1, M. Chakraborty should have intimated the workman concerned immediately after receipt of Ext. 1 that she has voluntarily left service after taking her legal dues. No such letter was sent to the workman concerned. There was thus no valid reason for not giving reply to the workmen's letter. C. W. 1

did not also say that the workman never approached him after 15th January 1977. The evidence of W. W. 1 that her service was illegally terminated on false allegation of theft and that she never left the service voluntarily should be believed. C. W. 1 also admitted that there is no written record relating to any theft on 14th January 1977 or any other provious year. He further admitted that stealing is a misconduct, so it was incumbent duty on the part of the Company to start domestic enquiry after serving proper notice to the workman. Had it been proved in such enquiry that the workman was guilty of the charge, her service would have been terminated.

The facts and circumstances do not indicate that the workman was found guilty of any offence of theft or that she left her service out of her own accord taking the amount as mentioned in Ext. A Rather we find that she approached the Proprietor and informed him by registered letter as well as other authorities consistently maintainisg her case that her service was illegally terminated from 15th January 1977. The Company's contention that she voluntarily left the service cannot be accepted. The service of Smt. Sephali Dutta Banik was terminated on 15th January 1977, without any charge-sheet, domestic enquiry and without payment of legal dues. There was no justifible ground for terminating her service in the above manner. The termination of service of Sephali Dutta Banik was not at all justified. She is entitled to reinstatement with full back wages from 16th January 1977 till her reinstatement. This award will come into effect within a month from the date of publication in the "Calcutta Gazette"

(2) Notwithstanding such repeal, anything done or any action taken under the principal Act as amended by the West Bengal Land Holding Revenue (Amendment) Ordinance, 1981 shall be deemed to have been validly done or taken under the principal Act as amended by this Act.

STATEMENT OF OBJECTS AND REASONS.

1. "Area" as defined in clause (c) of section 2 of the West Bengal Land Holding Revenue Act, 1979 means a geographical area or any special class of lands within such geographical area, the two being mutually exclusive. Because of extreme variation in the market prices of lands of various classifications and of lands belonging to the same classification located in different geographical regions it is administratively difficult to delimit the "areas". The delimitation of areas on the basis of the present definition will lead to various anomalies and will cause hardship to sime and give undue advantage to others. It is, therefore, necessary to amend the definition of "area".

2. In order to do away with administrative inconvenience, it is necessary to enable the State Government to appoint one prescribed authority for each district or part thereof or a group of districts. Amendment of clause (j) of section 2 of the Act is, therefore, essential.

3. Clause (k), read with clause (g), of section 2 of the Act appears to mean that non-agricultural tenants and all persons in different tiers of under-tenancy are raiyats and have to furnish returns and pay revenue. This seems to be anomalous. To remove the anomaly, the definition of "raiyat" is also required to be amended.

4. To provide that the assessing authority or authorities may be appointed for a district or any part thereof for the whole or part of any or all areas comprised in the territorial jurisdiction of such assessing authority or authorities, it is felt that sub-section (1) of section 9 of the Act should be suitably amended.

5. Sub-section (1) of section 10 of the Act requires raiyats to furnish returns to the assessing authorities within sixty days from the appointed day. The time being too short for the purpose, it has been proposed to empower the Government to prescribe the time limit of furnishing the returns

6. Cess under various Acts is levied on the basis of land revenue. As assessment and determination of revenue under the Act will take some time, specific provision for assessment and realisation of cesses on the basis of the revenue prevailing before the commencement of the Act has been proposed to be made by inserting a new section after section 26 of the Act.

7. As the Legislative Assembly was not in session, the West Bengal Land Holding Revenue (Amendment) Ordinance, 1981, was promulgated for the purposes as aforesaid.

8. The Bill seeks to replace the Ordinance.

LEGISLATIVE DEPARTMENT

NOTIFICATION

No. 2129-L.—3rd September 1981.—The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information :—

Bill No. 54 of 1981

THE CANALS (WEST BENGAL AMENDMENT) BILL, 1981.

A

BILL

to amend the Canals Act, 1864, in its application to West Bengal.

WHEREAS it is expedient to amend the Canals Act, 1864, in its application to West Bengal, for the purposes and in the manner hereinafter appearing; Ben. Act V of 1864.

It is hereby enacted in the Thirty-second Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title. **1.** This Act may be called the Canals (West Bengal Amendment) Act, 1981.

Application of the Act. **2.** The Canals Act, 1864 (hereinafter referred to as the principal Act), shall, in its application to West Bengal, be amended in the manner hereinafter provided.

The Canals (West Bengal Amendment) Bill, 1981.

(Clauses 3—7)

Amendment of section 1 of Ben. Act V of 1864.

3. In section 1 of the principal Act,—

(i) for the expression "channel", the following expression shall be substituted:—

'the word "channel" shall mean any river, canal, *khal*, *nala*, or waterway, whether natural or artificial, running or derelict, open or closed, navigable or otherwise, and shall include any part of its bed, slopes, berms, banks and any adjoining land owned by, or vested in, the State, and any construction or structure thereon;',

(ii) after the expression "channel", the following expression shall be inserted:—

'the word "Engineer" shall mean the Engineer in charge of any canal or channel or any other Engineer specially appointed by the State Government to perform the functions of an Engineer under this Act;'.

Insertion of new sections 15A and 15B.

4. After section 15 of the principal Act, the following sections shall be inserted:—

"Removal of encroachments.

15A. Notwithstanding anything contained in this Act, the Engineer or the supervisor or any other person duly authorised by the Engineer or the supervisor, as the case may be, in this behalf may remove, dismantle or demolish any embankment, fishery, fishing contrivance, huts, buildings, sluices, obstructions, encroachments or any other construction which, in the opinion of the Engineer or the supervisor, as the case may be, is likely to interfere with, counteract or impede any canal, channel or line of navigation in any manner.

Protection of action taken under this Act.

15B. No suit, prosecution or other legal proceeding shall lie against the Engineer or the supervisor or any other person authorised in that behalf by the Engineer or the supervisor, as the case may be, for anything which is in good faith done or intended to be done under this Act.".

Substitution of new section for section 16.

5. For section 16 of the principal Act, the following section shall be substituted:—

"Penalty for causing encroachments in channels and obstructions to line of navigation.

16. Any person who shall wilfully cause or shall aid in causing any encroachment or obstruction in any channel or line of navigation or who shall wilfully omit to remove such encroachment or obstruction after being lawfully required to do so shall, on conviction before a Magistrate, be punished with imprisonment of either description for a term not exceeding three years or with fine not exceeding one thousand rupees, or with both.".

Amendment of section 18.

6. In section 18 of the principal Act, for the words "line of navigation" wherever they occur, the words "canal, channel or line of navigation" shall be substituted.

Insertion of new section 18A

7. After section 18 of the principal Act, the following section shall be inserted:—

"Offences to be cognizable and non-bailable.

18A. Notwithstanding anything contained in any other law for the time being in force, an offence punishable under section 16 shall be cognizable and non-bailable.".

STATEMENT OF OBJECTS AND REASONS.

The Canals Act, 1864, requires modification as some provisions of the Act cannot be implemented for all practical purpose and have produced little results. In order to take effective action in removing obstructions, unauthorised encroachments and fisheries which are likely to affect the Canals it is felt that powers conferred on Engineers for this purpose under provisions of the Canals Act, 1864, are inadequate. Provisions for punishment made in the Canals Act, 1864 are also very meagre.

Amendment of the Canals Act, 1864, is, therefore, necessary in order to increase the powers of the engineers for the purpose mentioned above. It has also been felt necessary to enhance the punishment under the various provisions of the Canals Act, 1864, and to make it cognizable and non-bailable.

The Bill seeks to achieve the objects mentioned above.

The proposal has no financial implications.

GOVERNMENT OF WEST BENGAL

LABOUR DEPARTMENT

ORDER

No 2229-I.R./IR/10L-8/77.—5th August 1981—Whereas under the Government of West Bengal, Labour Department, order No. 2622-I.R./IR/10L-8/77, dated the 21st June 1979, the industrial dispute between Messrs. Guest Keen Williams Ltd., 97 Andul Road, Howrah-3 and their workmen represented by G. K. W. (H.O. & Works) Employees' Union, 1/3 P. K. Roy Chowdhury Lane, Howrah-3 regarding the issue mentioned in the said order being a matter specified in the Third Schedule to the Industrial Disputes Act, 1947 (14 of 1947), was referred for adjudication to the Seventh Industrial Tribunal ;

And whereas the said Seventh Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Governor is pleased hereby to publish the said award as shown in the Annexure hereto.

ANNEXURE

In the matter of an industrial dispute between Messrs. Guest Keen Williams Ltd., 97 Andul Road, Howrah-3 and their workmen represented by G. K. W (H. O. & Works) Employees' Union, 1/3 P K. Roy Chowdhury Lane, Howrah-3. (Case No. VIII-125/80.)

BEFORE THE SEVENTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present :

Shri B. N. CHOWDHURY, Judge,
Seventh Industrial Tribunal

AWARD

The Government of West Bengal, Labour Department, has srferred an industrial dispute between Messrs. Guest Keen Williams Ltd., 97 Andul Road, Howrah-3, and their workmen represented by G. K. W. (H.O & Works) Employees' Union, 1/3 P. K Roy Chowdhury Lane, Howrah-3, by its order No. 2622-I.R., dated 21st June 1979, under section 10 of the Industrial Disputes Act to this Tribunal for adjudication on the following issue :

Issue

Whether Shri Jitendra Bose and Shri Izzatulla of Bolt and Nut Section are entitled to production incentive payment for the month of December 1975 ? If so, what should be the rate of such payment ?

On receipt of this reference, usual notices were served upon the parties directing them to appear before this Tribunal on 9th June 1980. The parties only entered appearance and submitted their respective statements. During pendency of this case Messrs Guest Keen Williams Ltd., hereinafter referred to as the Company, filed a petition praying for hearing on certain preliminary

objections taken by it in its written statement. The said matter was heard and disposed of by me by my order No. 14, dated 26th March 1981, and the petition, dated 4th March 1981, was rejected by me with cost. It was, however, held that the legal objections as to whether the workmen have community of interest or not and such other matters being matters of mixed question of law and fact would be taken into consideration at the time of hearing of the case on merits. Be that as it may before the case was taken up for hearing on merit, the parties to this reference have filed a joint petition stating therein that on amicable negotiations between the parties they arrived at certain settlement outside the Tribunal. The Memorandum of Settlement arrived at between the parties has also been submitted along with the said petition. The petition as well as the Memorandum of Settlement bear the signatures of the Secretary of the Union as well as by an officer of the Company. The petition has duly been filed by the learned Advocates representing the parties. I have heard the learned Advocates representing parties and considered the Memorandum of Settlement. The terms embodied in the settlement are found to be just, lawful and reasonable in the facts and circumstances appearing in this case and as such they are accepted. The parties have, however, prayed for passing a 'no dispute' award in this case. But under the circ[illegible] I am inclined to pass an award on compromise in terms of settlement.

Accordingly I make the award on compromise in terms of the settlement which do form part of the award and be made an Annexure "A" thereto.

This is my award.

Dictated and corrected by me.

B. N. CHOWDHURY,
Judge.

Their two workmen, Shri Jiten Bose and Shri Izzatullah, represented by G.K.W. (H.O. & Works) Employees' Union, 1/3 P. K. Roy Chowdhury Lane, Howrah-3.

Short Recital of the Case

During the month of December 1975 Shri Jiten Bose and Shri Izzatullah Khan could not be provided with their regular jobs. The management contended that as there was not sufficient orders for the jobs the above two workmen were doing regularly, they should work in other department in the job they could be provided with and they should accept payment of incentive at the rates applicable for the job they would be provided with. As the jobs they were offered were of lower incentive rate than that of their regular jobs, the workmen demanded that they should be paid at the same rate applicable to their regular jobs. As the management could not agree to this and the workmen also did not agree to work in the alternative, they remained idle for the whole of December 1975 and consequently did not earn any incentive for December 1975 as there was no production done by them in that month.

The dispute was ultimately referred to the Tribunal. During the pendency of the dispute the parties have come to an amicable settlement on the following terms:

Terms

1. That for better industrial relations, the management agree to pay to each of the above two workmen an ex-gratia amount of Rs. 240.00 in full and final settlement of their claims in the pending adjudication against the Company.

2. The above payment will in no way affect the existing incentive scheme or any principle underlying the scheme.

3. This settlement under no circumstances will be cited as a precedent.

4. That the parties will jointly apply to the Tribunal for a 'no-dispute' award in terms of the above settlement.

NOTIFICATION

No. 2160-L.—7th September, 1981.—The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information :—

Bill No. 55 of 1981

THE WEST BENGAL MINING SETTLEMENTS (HEALTH AND WELFARE) (AMENDMENT) BILL, 1981.

A

BILL

to amend the West Bengal Mining Settlements (Health and Welfare) Act, 1964.

WHEREAS it is expedient to amend the West Bengal Mining Settlements (Health and Welfare) Act, 1964, for the purpose and in the manner hereinafter appearing; West Ben. Act XXV of 1964.

It is hereby enacted in the Thirty-second Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title and commencement.

1. (*1*) This Act may be called the West Bengal Mining Settlements (Health and Welfare) (Amendment) Act, 1981.

(*2*) It shall be deemed to have come into force on the 15th day of July, 1981.

Amendment of section 23 of West Ben. Act XXV of 1964.

(*2*) It shall be deemed to have come into force on the 15th (Health and Welfare) Act, 1964 (hereinafter referred to as the principal Act), in clause (*i*) of sub-section (*2*), for the words "rupees ten", the words "rupees forty" shall be substituted.

Repeal and savings.

3. (*1*) The West Bengal Mining Settlements (Health and Welfare) (Amendment) Ordinance, 1981, is hereby repealed. West Ben. Ord. VI of 1981.

(*2*) Notwithstanding such repeal, anything done or any action taken under the principal Act as amended by the West Bengal Mining Settlements (Health and Welfare) (Amendment) Ordinance, 1981, shall be deemed to have been validly done or taken under the principal Act as amended by this Act.

STATEMENT OF OBJECTS AND REASONS

Asansol Mines Board of Health, a body constituted under the West Bengal Mining Settlements (Health and Welfare) Act, 1964, is competent under the provisions of section 23 of the said Act to assess and impose fee, water rate and conservancy rate, with the previous approval of the State Government and subject to the terms and conditions as may be prescribed, on the owners of a mine or mines, the employees of which reside within the mining settlement, for the purpose of meeting the expenses to be incurred by the Board.

2. Under clause (i) of sub-section (2) of section 23 of the said Act, the assessment of fee shall be made, on the basis of quantity of annual output of the mine, at such rate not exceeding Rs. 10 per hundred metric tonnes.

3. At present the Asansol Mines Board of Health is having an annual deficit of Rs. 10 lakhs. As a result the Board is not in a position to function effectively not to speak of undertaking other developmental activities. The Board has accordingly approached the State Government for enhancement of the rate of fee to Rs. 40 per 100 metric tonnes.

4. In view of the present poor financial conditions of the Board, it was felt necessary to allow the Asansol Mines Board of Health to enhance the present rate of fee, with the previous approval of the State Government, at such rate not exceeding Rs. 40 per hundred metric tonnes. To enable the Board to do so, amendment of the relevant provision of the Act was necessary.

5. As the Legislative Assembly was not in session, an Ordinance, namely, the West Bengal Mining Settlements (Health and Welfare) (Amendment) Ordinance, 1981, was promulgated to achieve the said objective.

6. The Bill seeks to replace the provisions of the said Ordinance.

Present:

Shri K. C. ROY, W.B.H.J.S., Judge,
Second Industrial Tribunal.

AWARD

The Government of West Bengal, in Labour Department, has referred an industrial dispute between Messrs. Overseas Scrap Trading Corporation, 11A Jatindra Mohan Avenue, Calcutta-6, in respect of its works at 432-G. T. Road (N), Howrah and their workman Shri Shyamlal Kumar Bose, 13, Lal Behari Bose Lane, Salkia, Howrah-6 by its Order of Reference No. 3985-I.R./IR/11L-659/79, dated 21st August 1980, to this Tribunal under section 10 read with section 2A of the Industrial Disputes Act for adjudication on the following issue :

Issue

Whether the termination of service of Shri Shyamlal Kumar Bose is justified? What relief, if any, is he entitled to?

After receipt of the Order of Reference, usual notices were duly served on both the parties fixing

28th November 1980 for appearance. Both the parties appeared on the date fixed (28th November 1980). The workman was directed to file written statement by 22nd December 1980 along with list of documents. After several adjournments at the instance of the workman, 23rd April 1981 was fixed for filing written statement by the workman. On 23rd April 1981 the matter was adjourned to 14th May 1981 for filing written statement by the workman The workman was found absent and he took no step on 14th May 1981. Anyway, time was again allowed to the workman to file written statement by 5th June 1981. The workman was again found absent on 5th June 1981 and he took no steps for filing written statement. In the circumstances, the Company was directed to file written statement by 22nd June 1981. On 22nd June 1981 both the parties were found absent. No written statement was filed by the Company.

In view of the fact stated before I am inclined to hold that the industrial dispute under reference is no longer in existence and I consider that it is a fit case where a 'no dispute' award should be passed. I accordingly pass a 'no dispute' award.

This is my award.

Dictated and corrected by me.

K. C. ROY,
Judge.

ANNEXURE

In the matter of an industrial dispute between Messrs. The General Produce Co. Ltd., 4 India Exchange Place, Calcutta-1, and their workmen represented by (1) Commercial Employees' Union (Calcutta), 12A Netaji Subhas Road, Calcutta-1, and (2) Kanoria Concerns Karmachari Union, 26-B Kalidas Singha Lane, Calcutta-9. (Case No. 107/74.)

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri L. K PAL, Judge,
Fourth Industrial Tribunal.

The Government of West Bengal, Labour Department, by its order No. 4064-I.R./IR/11L-154/74, dated the 21st May 1974, referred an industrial dispute between Messrs. The General Produce Co. Ltd., 4 India Exchange Place, Calcutta-1, and their workmen represented by (1) Commercial Employees' Union (Calcutta), 12A Netaji Subhas Road, Calcutta-1, and (2) Kanoria Concerns Karmachari Union, 26-B Kalidas Singha Lane, Calcutta-9, to this Tribunal under section 10 of the Industrial Disputes Act, 1947, for adjudication on the following issue:

Issue

Whether closure of Messrs. The General Produce Co. Ltd., is real? To what relief, if any, are the workmen entitled?

On receipt of this reference notices were issued upon the parties fixing 28th June 1974 for appearance. Out of the two Unions mentioned in the Order of Reference only the Kanoria Concerns Karmachari Union filed its written statement on 16th July 1974. The written statement by he Company was filed on 22nd January 1976. Along with the written statement of the Union an application under section 33A of the

Industrial Disputes Act (case No. 9/74 under section 33A) was filed on the same issue as reference No. 6724-I.R./IR/11L-861/70, dated 31st December 1971 between the parties was pending. The reference and the application under section 33A of the Act were heard analogously as the dispute was same in both.

The Union's case, in short, is that Messrs. General Produce Co. Ltd. is one of the Kanoria Concerns situated at 4 India Exchange Place, Calcutta-1. During the pendency of the dispute between the employer and the employees the General Produce Co. Ltd. by a notice, dated 22nd June 1973 declared closure. It is alleged that the closure was not real, and the Company was carrying on its business regularly as before. The closure had been made with a motive to retrench the workman and to do away with the pending dispute. The Union therefore approached the management for withdrawal of the closure notice, but without any success. The Union has prayed for reinstatement of the workmen concerned with full back wages.

The Company, on the other hand, contended that the concern was closed once for all. The reference is unwarranted in view of the closure notice duly issued. The cause of the workmen could not be taken up by two Unions. The reference could not be entertained as an application under section 33A of the Act had been filed.

The preliminary points as well as the merits of the case were heard together by my predecessor-in office. The preliminary objections were overruled by my predecessor-in-office. As regards the closure it was found that the business was not closed as because the Company carried on normal business with Messrs. Minerals & Metals Trading Corporation of India Ltd., even long after the date of closure. It was found that the mining licenses were not surrendered and a skeleton staff was maintained. It was further found that a huge sum was lent out by the employer concerned to another Company. On these grounds, inter alia, by predecessor-in-office found that there was no real closure but it was a device to deprive the employees of the legitimate dues, for which the dispute was pending. He further held that it amounted to mala fide lock-out. He therefore passed an award on 29th April 1978 for reinstatement of the workmen with back wages from 1st June 1977 only.

Against this award, the employer moved the Hon'ble High Court in Civil Rule No. 5099(W) of 1978. The rule was disposed of on 10th November 1980 for reconsideration of the case with the following observation in the absence of any finding that in reality there had not been any closure of the said mining business but the business of the said Unit of the Company alleged to have been closed had also been carried on, it could not be held by the Tribunal that the closure was not real simply because the mining licences had not been surrendered and/or a skeleton staff had been maintained. In appropriate cases, such skeleton staff may be required to be maintained for the purpose of winding up of the business of the unit."

In view of the above, let me first enquire whether there was a closure of mining business of the Company. Except showing the closing stock of Manganese Ore in the Profit and Loss Account for the year 1973-74, nothing has been pointed out by the learned Lawyer for the Union that even after the closure notice the Company operated the mines held by it. In my opinion the stock shown in the Accounts of these two years cannot lead any one to infer that the mines were still operated by the Company. This stock might be due to the operation of the mines previously. The stock in 1973 dwindled in 1974 (vide Exts. A and A/1). This stock does not prove that the mines were worked. Paragraph 9 of the written statement of the Company goes to show that the Company had trading business also. Therefore, it is also not improbable that this stock was left after the trading business. The Affidavit filed on behalf of the Union also shows that the Company traded with iron ore through Messrs. Minerals & Metals Trading Corporation of India Ltd. Therefore, these entries in the Profit & Loss Accounts do not disprove closure of the mines. The Union has not examined any witness to prove that the mines were worked even after the date of closure. The witness for the Union (O.P.W. 1) has admitted that he had not been to mines after the date of closure. On the other hand, the notices issued by the mining authorities (Ext. 5 series) to the Company show beyond doubt that mines were kept idle. The concerned workman were not employed in the mines. Therefore, there was no reason to keep the mines idle in order to teach a lesson to the employees in the Head Office. If the mining business was going on, such notices would not have been issued. Therefore there is no doubt that the mining business of the Company was closed.

It has been observed in the aforesaid rule that it cannot be held by the Tribunal that the closure is not real simply because the mining lincence had not been surrendered and/or skeleton staff had been maintained. The land to a sister concern and the consignments through the Minerals & Metals Trading Corporation of India Ltd. do not indicate that they resulted from the mining business of the Company. In view of the above, I have come to the conclusion that the mines of the Company were closed and as such the mining business of the Company also came to an end

Now the question is whether the closure of the mining unit makes the closure mentioned in the reference real. The reference is in respect the closure of Messrs. General Produce Co. and not of its mining unit only. The dispute is also not in respect of the workmen employed in the mines. It is not disputed before me that Messrs. General Produce Co. is an independent concern, as contended by the Company in paragraph 9 of the Company's written statement. If this Company carried on mining busi-

ness and other business associated with the mining only,it could have been inferred that with the closing of the mines, the entire business of the Company was closed.

The reference is about the entire business of The General Produce Co. Ltd. In the reference for closure it must be proved that business of the Company was closed. In paragraph 9 of the written statement the Company itself has enumerated the diverse business carried on by it. Some of them are unconnected with the mining, e.g., trading business, jute and sugar business. Therefore, it cannot be held that with the closure mining business, the business of Messrs. General Produce Co. was closed. No submission has been made before me that these businesses of the Company were also closed. On the other hand, the Company's contention before the Hon ble High Court in the aforesaid rule, as it appears from page 6 of certified copy of the judgement, was that the entire Company was not wound up but the mining business of the Company was closed. Therefore, the stand of the Company is that the employer mentioned in the reference is still carrying on some of the business. I have also pointed out the closure of mining business does not lead to the closure of other business of the Company. The consignments through the Minerals & Metals Trading Corporation of India Ltd. as mentioned in the Union's affidavit is one such instance. Therefore, there is no closure of business of Messrs. General Produce & Co. and it cannot, in any opinion, be held that the closure of Messrs. General Produce & Co Ltd. is real.

Now, the concerned employees were employed in the Head Office of the Company. It has been, argued before me that these employees in the Head Office were employed for the mining unit only. It is also not the case of the Company that in the Head Office only the business of the mining unit was conducted. If the total business of the Company dwindled for the closure of mines, the Company might get rid of the excess employees in other ways, but not on the gound of closure of the Company, which did not take place. Therefore, the employees are entitled to reinstatement in this case. The learned Advocate for the Company has asked me to consider the fact that four out of eight employees had already accepted the dues for the closure. The conduct of those four employees cannot seal the fate of the other employees, nor can it make an untrue fact true. Therefore, it is of no consequence in determining the issue.

The back wages have accumulated for many years. The mines of the Company are closed. I therefore allow back wages from 1st June 1977. as further burden may tell heavily upon the business of the Company.

No preliminary points have been urged before me. No separate reliefs are granted under the application under section 33A of the Industrial Disputes Act as the same reliefs have been obtained in the reference.

On reconsideration I have come to the conclusion that the mines of the Company were closed but the business of the Company in question was not closed. Therefore the closure of the General Produce Co. Ltd. is not real. The workmen concerned are entitled to reinstatement with back wages from 1st June 1977.

This is my award.

"(*10*) If the transferee including the members of his family holds on the date of transfer not more than one acre of land including the transferred land and such land becomes the principal source of income of the transferee including the members of his family, the Special Officer shall not make any order under sub-section (*4*) unless the transferor including the members of his family holds not more than one acre of land including the transferred land on the date of transfer.".

STATEMENT OF OBJECTS AND REASONS

Sub-section (10) of section 4 of the West Bengal Restoration of Alienated Land Act, 1973 provides that if the transferee including the members of his family holds on the date of transfer not more than one acre of land including the transferred land and such land becomes the principal source of income of the transferee including the members of his family, the Special Officer shall not make any order for restoration unless the transferor including the members of his family holds not more than one acre of land on the date of application for restoration. Since the size of the holding is calculated on different dates for the transferor and the transferee, the Act tends to reward improvidence and punish industry and thrift. It has, therefore, become necessary to amend the Act so that the material date in sub-section (10) of section 4 of the Act be the same, that is, "the date of transfer" both for the transferor and the transferee.

2. The Bill seeks to achieve the above objective.

STATEMENT OF OBJECTS AND REASONS.

Since 1973, when the prevailing law on co-operative movement in West Bengal, i.e., the West Bengal Co-operative Societies Act, 1973, came into force, there has been a substantial multiplication as well as diversification of co-operative activities and consequently a considerable increase in the overall size of operation of the various categories of co-operative societies in this State. The provisions of this Act, 1973 were found to be insufficient for meeting the requirements in the changed circumstances in the co-operative sector. On account of certain lacunae, vagueness and omissions in the present Act of 1973 certain difficulties have been felt in the matter of proper and smooth organisation and functioning of the co-operative societies. To remove some of such vagueness and omissions in the Act, there have been introduced from time to time certain amendments in this Act of 1973. But it has been found that peacemeal amendments here and there would not be sufficient or effective for removing the weakness of the present Act. Hence a comprehensive amendment of the present Act was felt proper and necessary and consequently the Co-operative Law Committee with Mr. Justice A. K. Dey (Retd.) as Chairman was constituted by the Government.

The Law Committee, after making review of the entire matter in its various aspects and after consideration of the suggestions and proposals received, submitted its report in order to remove the deficiencies and weakness of the present Act. On the basis of this report and in order to diversify and strengthen the activities of the co-operative movement in the State, to put them on sound financial footing and ensure more democratic functioning, to generate employment, to increase production in all sectors of life including agriculture and industry, and above all to bring about economic and social regeneration including better and happier conditions of living for the weaker sections of the people and to bring them within the fold of co-operative movement, this Bill has been prepared to consolidate and amend the law relating to co-operative societies in West Bengal.

K. BHATTACHARYA,
Member-in-charge.

CALCUTTA,
The 10th September, 1981.

FINANCIAL MEMORANDUM.

The Financial implications of this Bill in the matter of expenditure from the Consolidated Fund of the State are two-fold, as follows:—

(a) There are provisions in the Bill for

(i) the Co-operative Directorate establishment, i.e., for the post of Registrar of Co-operative Societies etc., (ii) Cadre-Fund for the Cadres of Managers of Primary Agricultural Co-operative Societies, and (iii) Co-operative Tribunal.

But these are no new provisions. These provisions are already there in the present Act, i.e., West Bengal Co-operative Societies Act, 1973, which is in force, and budgetary provisions are also there for expenditures on these counts for the current financial year under the present Act of 1973. The self-same provisions of the existing Act have been made in this Bill without any change since a comprehensive legislation has been so proposed by repealing the present Act. The expenditures on these counts are to continue in future under the prevailing Act of 1973, even if this Bill is not enacted.

(b) This Bill proposes to set up:—

(i) a Co-operative Election Authority, (ii) a Co-operative Services Commission, (iii) Cadres of Managers and Asstt. Managers of Co-operative Societies and (iv) Courts of Arbitrators.

These are mere enabling provisions and no immediate financial liability of the State on these items is involved. The question of expenditure on these counts will come up only when the Government, after considering the various aspects of the matter, decides to implement these enabling provisions. Expenditures on these items, if and when called for in future, will be settled in consultation with the Finance Department as usual.

K. BHATTACHARYA,
Member-in-Charge.
